UNIVERSITY
OF FLORIDA

The Best of Both Worlds

The facts show that the University of Florida is indeed one of the few schools in the nation that ranks among the elite in both academic and athletic achievement. A lot of schools talk about academic and athletic excellence, but upon close examination, however, there are just a handful of schools in the entire nation that rank among the elite for successful attainment and achievement in both academics and athletics. Count the University of Florida among that elite group.

A 1994 study by the American Council of Education ranked the University of Florida among the nation's five premier institutions for combined academic and athletic achievement. Florida was joined in this group by UCLA, Michigan, Texas and Stanford.

A study published in the NCAA News in June 1992 named Florida one of the top six schools in the nation as having the best mix of academic quality and athletic success. UF joined UCLA, Texas, Stanford, Penn State and Southern Cal in this ranking which examined academic and athletic rankings over a 10 year period from 1982-1991.

Of the more than 1,300 universities and colleges in the nation, only 60 have been admitted to the Association of American Universities—the most prestigious organization in higher education. Only five percent of all institutions of higher education belong to this esteemed organization. Count the University of Florida among that contingent. Since 1984, there have been only two schools in the nation that have seen their overall athletic program ranked among the nation's 10 finest in each of the past 12 years. Count the University of Florida among that group as well.

The University of Florida is the only school in the nation that is a member of the Association of American Universities, had its football team ranked in the 1994 final AP Top Ten Poll, and had its overall athletic program ranked among the five best in 1995 national all-sport rankings.

In short, the facts clearly demonstrate that the University of Florida ranks among the nation's elite schools when it comes to proven achievement in both academics and athletics.

WHAT TO LOOK FOR: Florida will be seeking to win its first-ever national championship with a victory over the top-ranked Cornhuskers. Florida, 12-0 on the season for the first time in school history, is just the second school in SEC history to win three straight outright SEC titles and the first since Alabama in 1977-79. Steve Spurrier and the Gators are 12-0 for the first time in school history as they play for the school's first national championship. Spurrier, who ranks first in SEC history for win percentage in league games (44-6, .880) and all games coached (61-12-1, .831) joins the legendary Paul "Bear" Bryant as the only coach in SEC history to win three straight outright league titles (1993-95).

LAST MEETING (DEC. 31, 1974)

NEW ORLEANS, La. — A heavily favored Nebraska team squeaked by a gallant Florida squad, escaping with a 13-10 victory in the 41st Sugar Bowl. Nebraska's Mike Coyle 39-yard field goal with 1:46 remaining was the difference as the Cornhuskers rallied from a 10-0 fourth quarter deficit.

Florida opened the scoring with a 21-yard first quarter ramble by freshman Tony Green. Green's score was set up by a 21-yard interception return by DB Randy Talbot. The Gators added a second quarter field goal and went into the locker room with a 10-0 lead.

Nebraska went to their bench in the third quarter as head coach Tom Osborne lifted All-American quarterback David Humm for backup Terry Luck. Luck led the Huskers on a 18-play, 99-yard drive culminated by a two-yard TD run by Monte Anthony with 13:24 left in the game. Coyle then added a 37-yard field goal to tie the game at 10-10 and set up his game-winner just minutes later.

MEET THE COACHES

STEVE SPURRIER, FLORIDA

Steve Spurrier is in his sixth year directing the Gator program and his ninth overall as a head collegiate coach. He is 61-12-1 (.831) since arriving at UF in 1990, the best win percentage in SEC history (min. of five years as a head coach) and his 61 wins is the third top win total in the nation this decade. His overall head collegiate coaching record is 81-25-2 (.759), the fifth-best winning percentage in the nation among active coaches. His 61 coaching wins at UF is the second top victory total in school history.

Since arriving on the Gator scene in 1990 he has led UF to a number of firsts: its first official SEC title (1991), its first 10-win season (1991), its first 11-win season (1993), its first 12-win year (1995) and its first Sugar Bowl win (1994). He joins the legendary Paul "Bear" Bryant as the only coach in SEC history to win three straight outright conference crowns (1993-95). He is the first coach in SEC history to win three outright league titles (1991, 1993, 1994) in his first five years in the conference and his 44-6 record in SEC play (.880) is by far the best in league history (minimum of five years as a head coach). His four outright SEC titles (1991, 1993, 1994, 1995) ranks as the third-top total in league history (trailing only Bear Bryant's 11 and Johnny Vaught's 6).

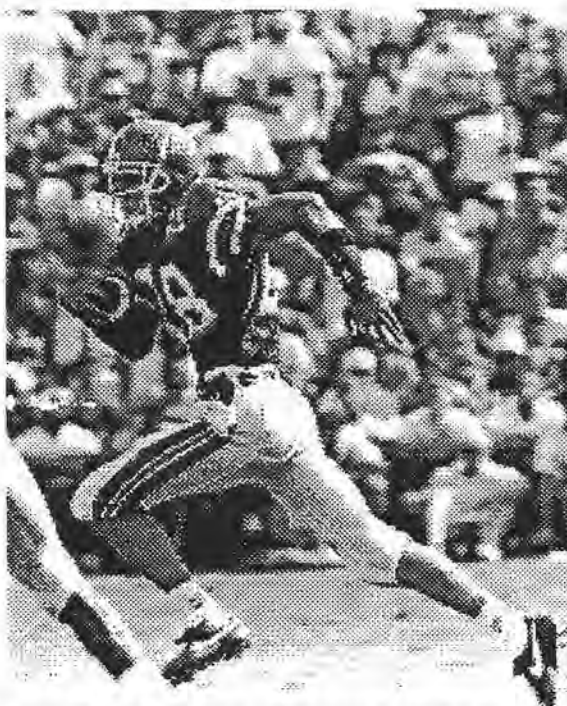

Spurrier won the Heisman Trophy at UF in 1966 and was a first-round NFL Draft selection in 1967 by San Francisco. After playing in the NFL for a decade he began his coaching career in the late 1970's. He was head coach of the Tampa Bay Bandits of the USFL from 1983-85 and then Duke University from 1987-89, where he compiled a 20-13-1 record and led the Blue Devils in 1989 to their first ACC title since 1962 and their first bowl appearance since 1960.

(For more information on Coach Spurrier, please refer to his complete bio later in this release.)

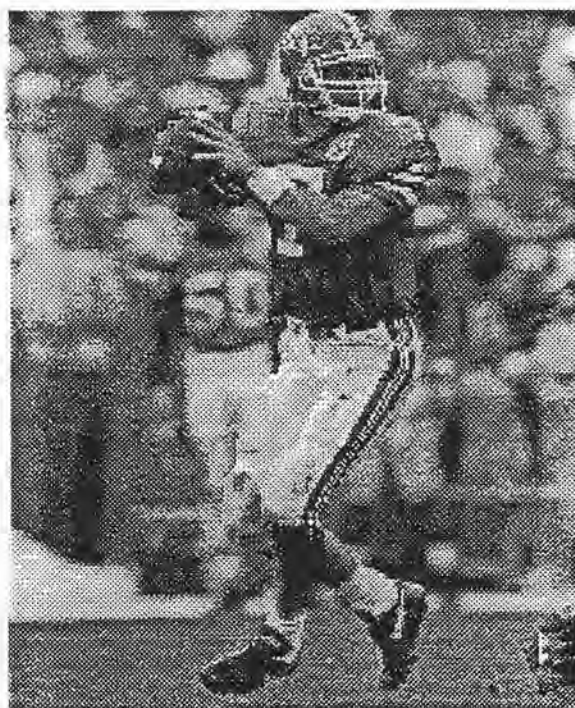

TOM OSBORNE, NEBRASKA

Tom Osborne is in his 23rd season at Nebraska and in his 34th year at Nebraska, which includes an 11-year stint as an assistant under Bob Devaney. Osborne, the 1994 American Football Coaches Association National Coach of the Year, owns a career record of 230-47-3 for a winning percentage of .827, the best percentage among active Division I-A coaches.

Osborne, a 1959 graduate of Hastings, holds Big Eight records for games coached (280) and won (230). In 1993, Osborne became the first coach to reach the 200-win plateau in just 21 seasons. Last year he led Nebraska to its first national title with him at the helm, as he earned the Distinguished American Award and the Giant Steps Award. His teams have won at least nine games every season and they have averaged 10 wins per year. Osborne is 11-1-1 against SEC members in his coaching career.

Senior Chris Doering set a SEC record with his 31 career TD catches. Doering's 17 TD receptions this season is also the top seasonal total in SEC history. He is just the 13th player in Division I-A history to catch 30 or more career TD passes. His 17 TD catches this year tied Ohio State's Terry Glenn for the country's top total.

Junior Danny Wuerffel, who has set a SEC single-season record with 35 TD tosses and a SEC career record with 75 TDs, is tied for seventh on the all-time NCAA Division I-A career passing TD list. He set a NCAA single-season record for pass efficiency with a 178.4 rating in 1995.

A LOOK AT THE GATORS

OFFENSE

The 1995 Florida offense made a strong case to be labeled among the best, if not the best, in the history of the SEC.

The '95 unit averaged 554.4 yards a game in total offense (360.8 passing and 173.6 rushing) to smash the SEC seasonal total offense average per game record, set by Auburn in 1970 (485.0 ypg). UF also averaged a SEC record 44.5 points per game, as well as accumulating a league record 327 first downs (an average of 27.3 per game). It scored a SEC record 74 TDs and threw for a SEC record 48 TDs, a total that led the nation in '95 and was nine more than any other school in the nation. It has been outstanding in the Red zone, converting on 54-66 such opportunities (49 TDs, 5 FG) for an outstanding rate of 81.8%, including a sparkling 74.2% in converting TDs in this area (49 of 66). An improved running game, led by a solid offensive line and a trio of tailbacks, made this a better overall offensive unit than the record setting group from 1994. The Gators registered 24 rushing TDs this fall, just one shy of the school record of 25 set in 1976, and averaged an outstanding 5.1 yards per carry throughout the year. *For more information on UF's offensive success in the 90's, please see the notebook section and Coach Spurrier's bio later in this release. Honors listed in the bios are as of December 9, 1995. For a complete list of honors, please see the 1995 honors section of this media guide.*

QUARTERBACK

Quarterback is one of the squad's strengths with experienced junior Danny Wuerffel and solid backup Eric Kresser. Wuerffel, one of the nation's best players in 1995, put together one of the finest seasons for a QB in collegiate history. His 178.4 passing efficiency rating in '95 is the best ever for a Division I-A QB and his 35 TD passes led the nation and set a new SEC single-season record. He has 75 career TD passes, the top total in SEC history and seventh-best ever for NCAA Division I-A. His 7,250 career yards passing is eighth-best in SEC history. His 160.5 career pass efficiency rating is second-best all-time for NCAA Div. I-A (min of 400 career completions). With one season of play still remaining he would appear to have an excellent chance of becoming just the second QB in college football history to throw for 100 career TDs.

RUNNING BACKS

Florida boasts a young, but talented trio of tailbacks in Fred Taylor, Elijah Williams and Terry Jackson. Taylor and Williams, who ranked first and second, respectively, in rushing a year ago as freshmen, combined for more than 1,500 yards and 12 TDs in 1994 as freshmen. Jackson made that returning double-threat unit a trio when injuries early in the season to Williams and Taylor surfaced and he responded with impressive play. The three give defenses distinct looks. Williams is a outside threat while Taylor is a strong inside runner. Jackson, who was converted from SS/OLB last spring, is fluid with a natural running style. Combined, the trio gave the Gators perhaps the most production from the tailback slot in the entire SEC as they rushed for over 1,900 yards, an average of 160 rushing yards per game. All three averaged over 5.9 yards per carry in 1995. At fullback, juniors Dwayne Mobley and Jerome Evans provide solid play.

RECEIVERS

The wide receiver position, despite the loss of All-American Jack Jackson and dependable Aubrey Hill, was even better than the record-setting unit from a year ago. Senior Chris Doering, along with sophomores Ike Hilliard and Reidel Anthony, and redshirt freshman Jacques Green, headline an exciting and productive unit. The duo of Doering and Hilliard has been especially impressive, combining for 127 catches for 2,053 yards and 32 TDs, the top total for a WR duo in the nation this season. There were only five wide receivers in the nation who caught 15 or more TD passes in 1995, and two of those five (Doering with 17 and Hilliard with 15) played for UF.

LINE

The offensive line is the most overlooked part of UF's record-breaking offensive success in 1995. There is a good deal of experience on the first unit with a returning upperclassman starter at four of the five spots. Underclassmen, however, dominated the backups. The first unit has 147 career starts to its credit. Other than Kevin Johnson, however, the backups had seen very limited to

no playing time entering 1995 and proven depth has not surfaced so far this fall. Jason Odom, one of three finalist for the Outland Trophy as the nation's top interior lineman, is in his fourth year as a starter at tackle and is joined by fellow senior Reggie Green at left guard, who moved from tackle. Junior Jeff Mitchell, who has played as well as any center in the conference according to the Gator coaching staff and was named All-SEC, has moved from guard to center and junior Donnie Young is in his second season as the starter at right guard. The right tackle slot had redshirt freshman Mo Collins getting the starting nod throughout the season. The starting unit has played consistently well and was presented with a game ball by the coaching staff for its solid play vs. Tennessee. This group headlines a offense that set SEC seasonal records for total yards, points and first downs. Improved run blocking made this a better all-around unit than the record breaking '94 offense. It averaged over 173 yards a game rushing, with an average per carry of 5.1, and 360 yards passing. Offense converted on over 49% of its third down opportunities and it averaged over 27 first downs per game. This offense also rushed for 24 TDs, just shy of setting a school record for most rushing TDs in a season (25 in 1976).

74 JASON ODOM, OT, SR, 6-5, 298

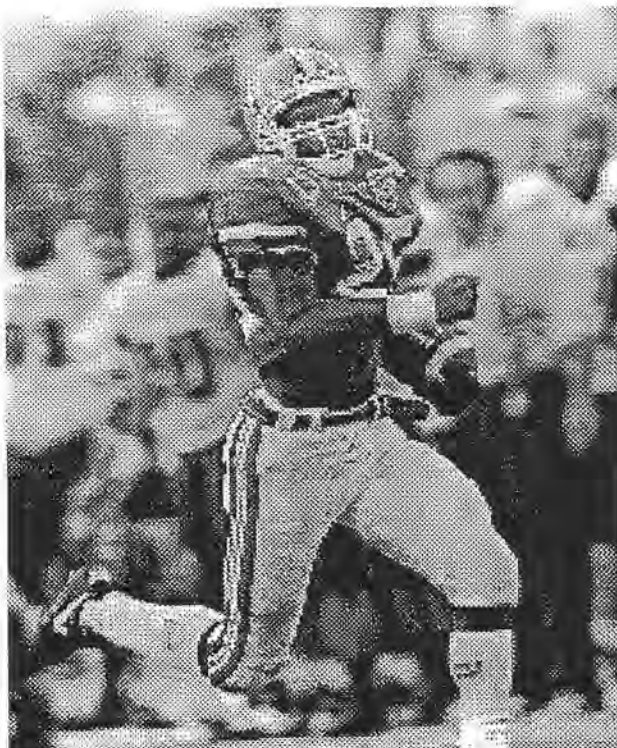

One of the nation's most honored offensive lineman in 1995...One of three finalist for the Outland Trophy...One of 12 national semifinalist for the 1995 Lombardi Award...Named to virtually every first-team All-America squad, including American Football Coaches Association...First-Team All-SEC in 1994 and 1995...SEC coaches selected him the recipient of the 1994 and 1995 Jacobs Blocking Trophy, presented annually to the SEC's top blocker (one of only 10 players in SEC history to win award twice)...Graded out at a 88.0 percent clip this season, best among UF's OL...45 career starts, including all 12 games this fall...A starter at OT since early in his freshman year in 1992...A starter at right OT in '92 and '93 before moving over to the left OT spot in '94...Was presented the offensive game ball vs. LSU this year for his stellar performance against standout defensive end Gabe Northern (allowed him only one tackle and no QB sacks.)

78 REGGIE GREEN, OG, SR, 6-7, 296

Along with Alabama, Florida was one of only two units in the SEC to rank among the nation's top 25 teams in each of the following categories: total defense, rushing defense, pass efficiency defense and scoring defense. It was one of just 11 schools in the nation that ranked among the NCAA Top 25 rankings in each of those four defensive categories.

It ranked third in the SEC, and 20th in the nation, in total defense (315.6 ypg with 130.2 on the ground and 185.4 passing). Over the final six games of the regular season, however, it gave up just 268.7 yards per game (123.5 rushing, 145.2 passing). OFFENSE - SPURRIER STYLE

■ In 108 games as a head collegiate coach, his teams have averaged an eye-catching 319.3 ypg passing, including a mark of 360.8 ypg in 1995, the top seasonal average in SEC history.

■ Spurrier-led collegiate teams have ranked among the nation's top 10 teams in passing in each of the last nine years (1987-95) and top 15 teams in total offense in eight of the nine years.

■ His offense was the first in ACC history to average over 500 ypg in total offense (1989, Duke) and the first in SEC history to average over 500 ypg (534.4 ypg at Florida, 1995).

■ He has been at the Florida helm for just six years, but his offensive units already hold four of the top six all-time best seasonal passing totals in SEC history, the top three total offensive yards totals in league history and the top four seasonal passing TD totals in conference history. His offensive units have thrown for over 3,000 yards each of the last nine years.

■ In his 74 games as head coach at Florida the Gators have thrown for 300 or more yards in a game 43 times. Prior to his arrival in 1990, the Gators had thrown for 300 yards in a game just 14 times in 83 previous years (1906-89) of football.

■ His QBs have led the respective conference in passing yards each of the last nine years and a WR from his offense has led the conference in TD catches in each of those nine campaigns.

■ His 1995 offense set a SEC record for most points (534—a figure that also ranked second best in the nation) and threw for a SEC record 48 touchdowns, a mark that led the nation and was nine more than any other team in the nation.

■ His 1993 UF squad was just the second in collegiate history to have one QB throw for over 2,000 yards, have another QB throw for over 1,000 yards and have a back rush for over 1,200 yards in the same season. That unit was also one of only two in the nation to throw for over 3,800 yards and boast a back who rushed for over 1,200 yards.

■ His 1992 offense was the only unit in the nation to boast a 3,000 yard passer and a 900-yard rusher.

■ His 1990 UF offense was the only unit in the nation to pass for over 3,000 yards, have two backs who rushed for over 600 yards and have three receivers catch at least 35 passes.

■ His 1984 Tampa Bay Bandit (USFL) team was the first squad in pro football history to have a 4,000 yard passer and two 1,000 yard rushers in a single season.

SUPER SENIORS

- The 1995 senior class has put together a long and sparkling list of achievements:
 - Compiled a 42-8-1 overall record, the most victories for a senior class in UF history.
 - Posted a 31-5 record vs. SEC foes, the most SEC wins for a senior class in UF history.
 - Won three SEC titles (1993, 1994, 1995).
 - Won four SEC Eastern Divisional titles.
 - Appearances in each of the first four SEC Championship Games.
- On squads that were part of numerous firsts at UF:
 - First to win a SEC Championship Game (1993).
 - First to win 11 games (1993).
 - First to win 12 games in a season (1995).
 - First to win back-to-back SEC titles (1993, 1994).
 - First (1995) to open a season with a record better than 8-0 (12-0).
 - First to open a season (1994) ranked number one in pre-season wire service polls.
 - First to win a Sugar Bowl game (1993 season).
 - First to win 12 consecutive games in a season (1995).
 - First to post a perfect 9-0 SEC record (1995).
- On squads that became the first in SEC history to win eight SEC games for three straight seasons (1993-95).
- Appeared in the weekly AP Poll every week of their four years, including a Top 10 ranking in each of the past 51 weeks. Were ranked number one for seven of the first nine weeks of the 1994 season.
- On squads that stretched UF's streak of six or more conference wins a season to six years, something accomplished only one other time in SEC history (Alabama from 1961-66 and now UF from 1990-95). Also joined Alabama as the only

schools in SEC history to win seven or more SEC games in three consecutive seasons (Alabama -1971-73, UF -1993-95).

- One of only three senior classes to never lose to Georgia.

- Compiled a 19-1 record vs. SEC Eastern Divisional foes since 1992, including a current streak of 18 straight wins.

- Won each of their last 13 SEC games away from Florida Field, a school record for SEC road wins.

- Won 25 of its last 27 SEC games, including a current streak of 13 straight to set the school record.

- Appeared in four bowl games ('92 Gator, '94 Sugar, '95 Sugar, '96 Fiesta).

As the above facts point out, this has been a most successful senior class on the football field. It is in the process of also doing an outstanding job in the classroom as 14 of the 16 members of the class are expected to graduate by next summer. Two (Ben Hanks and Kevin Johnson) graduated this past summer. Nine players (David Barnard, Dexter Daniels, Chris Doering, Brian Kovack, Sam McCorkle, Jason Odom, Sorola Palmer, Matt Pearson and Scott Perry) are scheduled to graduate in the spring of '96 while three others (Jason Bartley, Mark Campbell and P.J. Harrison) are slated to graduate during the summer of '96.

SCHEDULE

- The '95 squad faced one of the school's most challenging schedules in history.

- This Gator squad was only the second in the history of the SEC to play five conference games on the road (Georgia was the first in 1994). It became the first team in SEC history to win five league games on the road in a season.

- This squad was the first in school history to not have a home game in the month of October.

- The '95 unit also became the first Gator squad in history to play three consecutive games vs. SEC foes on the road.

- UF has, or will, play seven teams that were ranked at some point in the AP and/or USA Today/CNN Top 25 Polls (Tennessee, LSU, Auburn, Georgia, Florida State, Arkansas and Nebraska).

- UF has, or will, play four teams (Tennessee, Auburn, Florida State, Nebraska) who were ranked in the Top 10 at gametime.

GENERAL

- Seeking a fifth straight final AP Top 10 Poll appearance (UF and FSU are the only schools in the nation to finish in the Top 10 in each of the previous four years, 1991-94).

- The '95 unit is the youngest in Steve Spurrier's six years at the helm. The squad has 30 combined scholarship upperclassmen and 53 combined freshmen/sophomores, including 36 combined true and redshirt freshmen. Spurrier's '92 unit, with 33 combined juniors/seniors, had ranked as his youngest squad until '95.

- Twenty underclassmen (nine sophomores and 11 freshmen) appeared on the two-deep depth chart for the last game vs. Arkansas.

OFFENSE

- The '95 Gator offense could arguably make a case for being the finest in the history of the SEC. It set 10 conference records this season: total yards (6,413), average yards per game (534.4), average yards per play (7.40), total points (534), average points per game (44.5), total first downs (327), total passing yards (4,330), average passing yards per game (360.8), total touchdowns (74) and passing TDs (48).

- Florida completed the '95 year nationally ranked in the top four in the following categories: Total offense (4th - 534.4 ypg), passing offense (2nd - 360.8 ypg) and scoring (3rd - 44.5 ppg).

- Florida's offense has now ranked among the nation's Top 10 in passing each of the last six years and Top 10 in total offense in five of the past six seasons.

- UF was an outstanding 54-66 this year inside the "Red Zone" (49 TDs, 5 FG) for a 81.8 percentage. Under Danny Wuerffel, the unit was 40-48 (37 TDs, three FG, one blocked FG, three missed FG, one fumble, two loss of downs and game ended vs. Ole Miss with UF on Rebels 7-yard line) inside the 20.

- Here are some other stats of interest:

- averaged 27.3 first downs a game
- averaged 7.40 yards per play and 5.1 yards per rush
- converted on 49.7% of third downs
- averaged 15.1 yards per pass completion
- posted a 171.8 team pass efficiency rating

- UF's 48 TD passes this fall led the nation and were nine more than the next nearest team (Nevada with 39). The Gators also led the nation in TD passes in 1994 with 43.

- The Gators averaged 7.4 yards per play this season, a figure that led all NCAA Division I-A schools.

- Danny Wuerffel threw for 35 TD passes this season, a total that ranked first in the nation among Division I-A QBs.

- The WR tandem of Chris Doering and Ike Hilliard combined for 32 scoring receptions this season, the top total for a duo in the nation. Doering ranked tied for best in the nation

for most TD catches (17) with Terry Glenn of Ohio State. There were only five wide receivers in the nation who caught 15 or more TD passes this fall and the Gators boast two of those five (Doering with 17 and Hilliard with 15).

■ One of the most overlooked aspects of this offensive team is its effectiveness in running the ball in 1995. The Gators averaged 173.6 yards a game including an impressive 5.1 yards per carry. Their 24 rushing TDs in 1995 was just one shy of the school record (25 in 1976) and the top three tailbacks (Elijah Williams - 7.5 ypc, Terry Jackson - 6.4 ypc and Fred Taylor - 5.9 ypc) averaged at least 5.9 yards per carry throughout the season. Williams 7.5 avg. was the best for a back in UF history (min. of 100 rushes in a season).

■ UF averaged 2:04 on its 72 scoring drives with 42 of those lasting six plays or less.

■ UF's offense was really in high gear during the second quarter this year. It scored 25 of its 74 TDs (33.8%) during that 15-minute period. Florida scored 180 of its 534 points (33.7%) this season in the second stanza.

■ There are only three seniors in the '95 starting lineup (WR Chris Doering, OT Jason Odom, OG Reggie Green). There are only five senior scholarship offensive players on the roster (the above three plus Sorola Palmer and Kevin Johnson).

■ The starting line of Jason Odom (45), Reggie Green (42), Jeff Mitchell (24), Donnie Young (24) and Mo Collins (12) enters the Fiesta Bowl game with 147 combined career starts. The backups, however, are very young. Kevin Johnson is the only backup on the offensive line who had seen action in more than 52 career plays entering the season.

■ Several times this season, Florida has put points on the board in bunches. Here is a quick glance at those games:

Florida vs. Houston, Sept. 2

The Cougars led 14-7 in the first quarter, before Florida scored 28 straight points to take a 35-14 halftime lead and win the game 45-21.

Florida vs. Tennessee, Sept. 16

Florida trailed the Volunteers 30-14 late in the second quarter, before the Gators scored 48 straight points on the way to a 62-37 victory.

Florida at Auburn, Oct. 14

Auburn led 20-14 in the second quarter, but Florida scored 28 straight points to take a 42-20 lead on the way to a 49-38 victory.

Florida at Georgia, Oct. 28

Florida opened the game with a 28-0 blitz on the way to a 52-17 victory.

Florida vs. Northern Illinois, Nov. 4

Florida opened the game with 17 straight points before Northern Illinois responded with a touchdown. The Gators then

poured on 21 consecutive points to take a 37-6 lead on the way to a 58-20 win.

Florida at South Carolina, Nov. 11

Florida opened the game with 35 straight points on the way to a 42-7 halftime lead and a 63-7 victory over the Gamecocks.

Florida vs. Vanderbilt, Nov. 18

Florida opened the game with 38 straight points until Vanderbilt scored a fourth quarter touchdown to make the final score a 38-7 Gator victory.

Florida vs. Florida State, Nov. 25

With Florida leading 7-6 at the end of the first quarter, the Gators scored 21 unanswered points in the second quarter to take a 28-6 halftime lead as they defeated the Seminoles, 35-24.

■ In addition to its high national rankings and SEC records it set this season, here are some other achievements by the '95 unit.

- Six TD passes vs. Tennessee were the most ever by a SEC team in a league game. That mark was then broken later in the season when the Gators threw seven scoring strikes vs. Georgia.

- Fifty-two (52) points most ever scored by a team vs. Georgia at Sanford Stadium.

- Sixty-two (62) points vs. Tennessee were most vs. a Volunteer team since 1893.

- Sixty-three (63) points tied record for most points ever scored vs. a South Carolina team.

- Forty-nine (49) points most ever scored by UF vs. Auburn and most vs. an Auburn team since 1952.

- 695 total yards and 506 passing yards vs. Northern Illinois ranked as second-top totals in school history.

- Had 612 yards in total offense vs. South Carolina, the second-most ever for the Gators in a SEC game.

MISCELLANEOUS NOTES

- Has thrown for at least one TD pass in 65 of the last 66 games, including 48 straight.

- Has thrown for 200 or more yards in 65 of the past 66 games, including 31 straight.

- Since 1990 UF has thrown for 300 or more yards in a game in 43 of its 74 total contests. Prior to 1990 the Gators threw for 300 or more yards in a game just 14 times in the previous 83 seasons of play (1906-89).

- Since 1990 the Gator offense has passed the ball 52.0% of the time and rushed it 48.0%.

DEFENSE

■ Florida and Alabama were the only two schools in the SEC in 1995 that ranked among the nation's top 25 teams in NCAA rankings in each of the following categories: rush defense (25th - 130.2 ypg), total defense (20th - 315.6 ypg), scoring defense (13th - 16.8 ppg) and pass efficiency defense (15th - 101.1).

■ Florida's defense was also one of just 12 units in the nation to rank among the nation's top 25 teams in NCAA rankings in each of the following categories: rush defense (25th), total defense (20th), scoring defense (13th) and pass efficiency defense (15th).

■ Florida ranked highly in the final SEC defensive rankings, finishing in the top four in the conference in all four categories: rush defense (4th), total defense (3rd), scoring defense (2nd) and pass efficiency defense (3rd). UF and Alabama were the only two schools to finish in the top four in all four categories.

■ The Florida defense played significantly better over the last half of the 1995 season. Heading into the Georgia game, with six games completed, UF was giving up an average of 362.5 yards per game in total offense (136.8 rush and 225.7 pass). Over the final six games, the Gators allowed just 268.7 yards in total offense, including 123.5 on the ground and 145.2 via the pass. For the year, UF's totals improved a great deal, as UF permitted 315.6 yards in total offense for the season (130.2 rush, 185.4 pass).

■ The Gator defense played significantly better against the

pass this season. Opponent quarterbacks registered only a 101.1 efficiency rating this year (third-best in the SEC and 15th in the nation) while completing 49.5% of their passes. Over the last half of the 1995 season, quarterbacks posted just a 97.58 efficiency rating vs. Florida and the Gators permitted third down conversions at a rate of just 23.2%. The 1994 unit saw QBs complete 55.1% of their passes with an efficiency rating of 107.5.

■ Turnovers that the UF defense forced led to 99 team points.

■ Here is a brief statistical look at the 1995 Florida defense:

- gave up an average of 315.6 yards per game (185.4 passing and 130.2 rushing)

- permitted an average of 3.6 yards per rush
- permitted an average of 16.8 points per game
- registered a 101.1 pass efficiency rating
- permitted a 33.3% (58-174) conversion rate on third downs, including 1-277 on third and 11 or more yards
- permitted a 49.5% passing completion rate
- forced an average of 2.4 turnovers per game (15 fumbles and 14 interceptions)

■ UF held opponents to a 65.7% overall success rate inside the 20 (23-35 with 15 TDs and 8 FGs). It allowed TDs inside the 20 at just a 42.9% clip (just 15 of 35).

■ The Florida defense had some outstanding defensive performances against some of the nation's most potent offensive units. Here is a look at some of those games:

Florida vs. Tennessee, September 16

Allowed just seven second-half points and forced four fumbles, three in the second half, all of which led to UF touchdowns.

Florida at Auburn, October 14

Forced two turnovers, both of which were interceptions that led to touchdowns. UF yielded 437 yards in total offense (237 pass, 200 rush) to a unit that was averaging 528.8 heading into the game. UF allowed just six of 15 (40.0%) third down conversions to a group that was converting on 52.7% of its chances.

Florida at South Carolina, November 11

Allowed only 128 yards in total offense (35 rush, 93 pass) after the Gamecocks had entered the game averaging 460.7 yards in total offense. UF held USC to 1.1 yards per rush and only 2.3 yards per play. USC QB Steve Taneyhill came into the game averaging 301.4 yards passing, but UF held him to just 74 passing yards.

Florida vs. Florida State, November 25

Gave up just 322 yards in total offense (138 rush, 184 pass) and 16 first downs to the nation's top offensive team (574.5 ypg) entering the game. UF held FSU without a TD in the first half, the first time FSU was held without a TD in a half in almost a year. The defense intercepted three passes and forced eight Seminole punts.

■ The defensive line unit had to replace three players (DE

Kevin Carter, DT Ellis Johnson and DT Henry McMillian) who were selected in the first six rounds of last spring's NFL Draft. Carter, the first defensive player selected in the draft, and Johnson, were both first round selections. The Carter/Johnson selections marked just the second time since the NFL-AFL merger in 1967 that two defensive linemen from the same school were both chosen in the first round of the draft.

■ Losing three quality players to the NFL had an early impact on UF's defensive play this fall as did a rash of injuries on the line, primarily at tackle. Starter Keith Council injured a wrist in the second quarter vs. Kentucky and did not play in the next five games. Ed Chester missed three games this season. Backup DT Mike Moten had a shoulder injury which sidelined him for six games. True freshman Ernie Badeaux injured a knee in practice in late September and his surgery kept him sidelined for the season. Freshman Mike Jackson was declared unable to play due to a possible heart condition that surfaced midseason.

■ Sam McCorkle, a former walk-on, is the only senior on the defensive back unit.

INSIDE THE NUMBERS SINCE 1990

■ The Gators have posted a 36-1-1 record when they hold an opponent to less than 100 team rushing yards.

■ 51-0 when holding opponents to 21 or less points.

■ 41-3 when the defense is not scored upon first. UF is just 20-9-1 when its opponent scores first.

SPECIAL TEAMS

■ Averaged 23.3 yards on kickoff returns (8th-best in the nation) and 7.4 yards per punt return in 1995.

■ Blocked seven total kicks this season (four punts, two FGs, one PAT).

■ Blocked a punt vs. Kentucky, which set up a touchdown four plays later, and blocked an extra point attempt vs. Tennessee, breaking the Volunteers' string of 168 consecutive successful PATs.

■ Blocked a punt vs. LSU, which set up a touchdown two plays later. Also blocked a 31-yard field goal attempt vs. LSU.

■ Reidel Anthony returned a kickoff 90 yards for a touchdown vs. Auburn and the punt team forced a punter's fumble vs. the Tigers. The 90-yard kickoff return for a TD was the first against Auburn since 1979.

■ The punt team forced a punter's bobble vs. Georgia, which led to a UF touchdown three plays later.

■ Blocked a punt vs. South Carolina, which set up a touchdown two plays later.

■ Blocked a punt and a 37-yard field goal attempt vs. Vanderbilt.

■ The Gators have also enjoyed a current school-record 51 consecutive AP polls in the top 10, the second longest such streak in the nation.

■ Florida entered the 1994 season number one in both the AP and USA Today/CNN Coaches' polls, the first time in history that had happened in either poll. UF held the top spot for seven of the first nine polls in 1994.

THE SWAMP

■ Since taking over the Gator program in 1990, Steve Spurrier is 35-2 at "The Swamp."

■ The Gators set a school record with a 23-game home winning streak from 1990-93 before having the streak snapped versus Florida State in the 1993 home season finale. The previous school record was 20 straight wins from 1909-1915.

■ Steve Spurrier is 20-1 vs. SEC opponents at Florida Field since he arrived in 1990. The Gators are 9-0 vs. SEC East foes since divisional play began in 1992.

■ UF has defeated six teams at "The Swamp" who were ranked in the AP Top 10 on gameday (in 1990 beat No. 4 Auburn, 48-7; in 1991 beat No. 4 Tennessee, 35-18; in 1991 beat No. 3 Florida State, 14-9; in 1993 beat No. 5 Tennessee, 41-34, in 1995 beat No. 8 Tennessee, 62-37 and in 1995 beat No. 6 Florida State, 35-24).

■ In 37 home games under Spurrier, UF has scored 30 or more points 29 times and has held its opponent to 14 or less points 17 times. Florida has scored 24 or more points in 20 of the 21 home SEC games.

■ Eight times in Gator history a UF team has posted a perfect 6-0 home record. Six of those times have come since 1981 (1981, 1983, 1990, 1991, 1992, 1995), with the other two coming in 1952 and 1974.

■ Here is a look at the Gators at Florida Field since 1981:

- 78-11-2 (.868) overall record
- 41-5-1 (.883) vs. non-conference foes
- 37-6-1 (.852) vs. the SEC

ACADEMIC SUCCESS

■ Over the last six years (1990-95), Florida has had 77 honorees named to the SEC Academic Honor Roll, the top six-year total in school history and its 19 honorees in 1994 was the top single-season total in conference history. UF's 14 selections in 1995 was the league's second-top total.

■ Since 1980, Florida's 137 SEC Academic Honor Roll selections rank second only to Kentucky's 151 among all league schools.

■ UF was one of only four schools in the nation in 1994 to have more than one player named to the Academic All-America Team (QB Terry Dean and FS Michael Gilmore).

■ Florida has had some of the nation's most honored scholar-athletes the past few years. In 1991 DT Brad Culpepper was the recipient of the Draddy Scholarship Trophy, presented annually by the National Football Foundation and College Hall of Fame to the nation's top scholar-athlete. Center David Swain was one of only nine national recipients of the Honda Scholar-Athlete Award in 1992. In 1993 Michael Gilmore was a first-

team Academic All-American and was the state of Florida's lone national finalist for the Rhodes Scholar program. In 1994 Gilmore and Terry Dean were named first-team Academic All-America and Gilmore was a recipient of the Scholar-Athlete Award from the National Football Foundation and College Hall of Fame. In 1995, quarterback Danny Wuerffel was selected to the CFA Scholar-Athlete Team.

TELEVISION EXPOSURE

■ In 75 games (including the Fiesta Bowl) since Steve Spurrier returned to Gainesville, Florida has appeared on live network television 54 times. Thirty-six of those 54 have been national broadcasts. During that span, Florida is 41-11-1 on live network television.

■ UF appeared on live network television a school-record 10 times in both 1992 and 1994.

■ Forty-six of UF's last 63 games (27 national, 19 regional) have been televised on live network television.

ATTENDANCE

■ Florida has ranked among the nation's top 15 schools in average home attendance in each of the last 12 seasons. Since the Ben Hill Griffin Stadium expansion in 1991, bringing capacity to over 83,000, the Gators have ranked in the top five in the nation for the last five years. In 1995, UF averaged 85,139 fans.

■ Once again in 1995, the Gators sold all available season tickets (72,000). That figure continues to rank as best in state history for any sports team - collegiate or professional.

■ Since 1991, UF has drawn crowds of more than 82,000 in each of the last 31 games and crowds of 83,000 in 30 of the last 31 home games.

■ The 20 largest crowds in the state of Florida history - collegiate games, professional games, bowl games, Super Bowls - have all occurred since 1991 at Florida Field.

FLORIDA BOWL HISTORY

FLORIDA'S BOWL HISTORY

Florida's first bowl trip came after the 1952 season as the Gators headed to the Gator Bowl in Jacksonville to face Tulsa on January 1, 1953.

Powered by the running of Rick Casares and J. (Papa) Hall, the Gators edged the Golden Hurricanes, 14-13, as Tulsa senior Tom Minor missed the first PAT attempt of his career. Gator All-America tackle Charlie LaPradd was the game's defensive hero.

Quarterback Jimmy Dunn and All-SEC end Dave Hudson led Florida back to the Gator Bowl in 1958, where they lost to Mississippi, 7-3. Ray Graves' first Florida team returned to the Jacksonville classic after the 1960 season and knocked off Baylor, 13-12, behind the running of Don Goodman and quarterback Larry Libertore.

One of the biggest upsets in Gator Bowl history took place in 1962 when heavily-favored Penn State was soundly beaten by the Gators, 17-7, led by quarterback Tom Shannon and a stout defense.

In 1966, Florida fell behind Missouri, 20-0, in the Sugar Bowl and rallied for 18 points in the final quarter behind quarterback Steve Spurrier. Each Gator touchdown was followed by a two-point conversion attempt and all of them failed.

Spurrier became the first player from the losing team to be named the game's most outstanding player in the history of the Sugar Bowl. He broke six bowl records in the contest.

The Gators got back on the winning track the following year in the Orange Bowl, beating Georgia Tech, 27-12, behind Heisman Trophy winner Spurrier. It was Bobby Dodd's final game as Tech's head coach and Florida made it an unhappy night for him. Larry Smith set a bowl record when he ran 94 yards for a touchdown for the Gators, almost losing his pants on the way.

In Ray Graves' final game as Florida's coach, he watched his young team beat SEC champion Tennessee, 14-13, in the 1969 Gator Bowl. Florida's defense was superb, with a blocked punt by Steve Tannen resulting in one score and an interception setting up another.

In 1973, the Tangerine Bowl was played in Gainesville due to construction at the Orlando stadium site. It was 27 degrees when the game started and Miami of Ohio loved every minute of it, en route to a 16-7 upset. Florida nearly pulled off a major upset the next season, leading Nebraska, 10-0, and scoring an apparent touchdown on a 26-yard run by Tony Green, only to have it ruled out-of-bounds. The Huskers came back in the Sugar Bowl to win, 13-10. Florida's stars were All-America linebackers Ralph Ortega and Glenn Cameron, defensive end Preston Kendrick, the game's most outstanding defensive player, and running back Green.

The Gators returned to the Gator Bowl in 1975 and were soundly beaten in the rain by Maryland, 13-10. In 1977, powerful Texas A & M routed Florida, 37-14, in the Sun Bowl.

Charley Pell's first bowl team at Florida came in 1980 and the Gators played outstanding football in the Tangerine Bowl, beating Maryland, 35-20, behind All-America wide receiver Cris Collinsworth, the game's most valuable player. All-America David Galloway was the most outstanding defensive player of the contest.

In the cold of Atlanta, Ga. in the 1981 Peach Bowl, the favored Gators were stunned by West Virginia, 26-6.

On New Year's Day of 1982, the Gators took a 17-7 halftime lead against Arkansas in the Bluebonnet Bowl before losing, 28-24. Wide receiver Dwayne Dixon was named Florida's MVP after catching three touchdown passes.

The 1983 squad, making its fourth consecutive bowl appearance under Pell, defeated Iowa, 14-6. The win earned the Gators a No. 6 national ranking, then the best finish in school history.

The 1984 and 1985 teams, after posting 9-1-1 seasons, were unable to participate in bowl games due to NCAA sanctions.

Florida reentered the bowl scene on Christmas Day in 1987 as they faced UCLA in the Aloha Bowl, in Honolulu, Hawaii. The Gators, a big underdog, suffered a tough 20-16 setback in a game that literally went down to the final play when a Kerwin Bell pass fell incomplete in the endzone. Emmitt Smith, named Florida's MVP in the bowl, completed his banner freshman season with 128 rushing yards on just 17 carries (7.5 yards per carry) against a UCLA squad that ranked fourth in the nation in defense against the rush in 1987.

Galen Hall captured his first bowl victory as a head coach in the 1988 All-American Bowl. Sophomore Emmitt Smith, the game's MVP, scored late in the fourth quarter to give Florida a 14-10 win over Illinois. Smith rushed for 159 yards on the night, the second-best rushing total in a bowl game in UF history. OLB Huey Richardson led a fierce Gator defense, holding the Illini to just 55 rushing

The Gators completed the decade of the 1980's with a 34-7 loss to Washington in the 1989 Freedom Bowl in Anaheim, Calif. The Freedom Bowl appearance marked the seventh bowl appearance for Florida during the decade of the 1980s, making it the most successful decade for postseason play in school history.

The 1991 team capped a banner season with an appearance in the 1992 Sugar Bowl vs. Notre Dame. Despite registering 511 yards in total offense, including a record 370 yards passing by Shane Matthews, the Gators suffered a 39-28 setback to the Irish in Steve Spurrier's first bowl game as UF coach. Notre Dame scored three touchdowns in the last five minutes of the game after Florida had moved ahead, 22-17, early in the fourth quarter. A record 34 combined points were scored in the wild fourth period.

Erriett Rhett rushed for 182 yards, the third top total in Gator Bowl history and the second-best total for a Florida player in a bowl game, to highlight an impressive 27-10 win over ACC runnerup North Carolina State in the 1992 Gator Bowl. UF's defense had a fine night as it held the Wolfpack to just 13 first downs and 267 yards in total offense while Shane Matthews closed out his brilliant career, leading a Gator offense that registered 26 first downs, ran 88 plays, and totaled 445 yards in total offense. Rhett was named MVP of the game.

The 1993 team closed out the winningest season (11-2 record) in school history with an impressive 41-7 win over undefeated West Virginia in the Sugar Bowl. Erriett Rhett, who rushed for 105 yards and three scores, was named the game's MVP. Willie Jackson had nine catches (second-best bowl game total in UF history) for 131 yards and a touchdown, while Terry Dean completed 22-of-37 passes for 255 yards and a TD to highlight an offense which generated 30 first downs and 482 total yards. The defense held a Moutaineer team that averaged 36.5 points and 464 yards a game in total offense to just seven points and 265 total net yards. The 41-7 win was UF's first Sugar Bowl victory in four appearances and represented the school's first New Year's Day bowl win since a 27-12 win over Georgia Tech on January 1, 1967 in the Orange Bowl.

Florida fought back from a deficit late in the first half to cut Florida State's lead to six points, 23-17, but Danny Wuerffel was intercepted with 1:32 remaining in the game as the Gators lost to the Seminoles in the Sugar Bowl. The Seminoles opened up a 20-3 lead in the second quarter, but the Gators cut it to 20-10 when Wuerffel hit freshman Ike Hilliard with an 82-yard touchdown pass, the longest in Sugar Bowl history.

COACHING STAFF

HEAD COACH STEVE SPURRIER

When Steve Spurrier was hired as head football coach at the University of Florida in 1990, it isn't likely anyone could have predicted what was going to take place during the first half of the decade of the '90s.

Prior to his arrival, no Florida team had captured an official Southeastern Conference championship in 56 years as a charter member of the league. Spurrier became the first coach in league history to capture three outright conference crowns in his first five seasons (1991, 1993 and 1994), and joined the legendary Paul "Bear" Bryant as the only coach in SEC history to win three straight outright league championships (1993-95). His four outright SEC titles already ranks third best in league history, trailing only Bryant (11) and Ole Miss' John Vaught with six.

Florida is 44-6 in SEC games over the last six seasons, a winning percentage of .880 - tops among league schools during this period and by far the best in SEC history for any coach who has coached a minimum of five years in the conference.

Prior to 1990 no Gator team had ever won more than nine games in a season. In six seasons, Spurrier-coached Gator teams have won at least nine each year, surpassing that total four times: 1991 (10 wins), 1993 (11), 1994 (10) and 1995 (12)

His overall record of 61-12-1 in the past six seasons ranks as the third-best win total in college football during the 1990's and his winning percentage of .831 is best among any SEC head coach in history (minimum of five years in the league).

The Gators are one of only two teams in the nation to finish the season ranked in the AP Top Ten Poll in each of the past five seasons (1991-95) and one of only three teams in the country to win at least nine games each of the six seasons of this decade. They have now appeared in the AP Top Ten Poll in each of the last 51 straight ranking weeks.

Florida has had the SEC's best record five of the last six seasons (6-1 in 1990, 7-0 in 1991, 8-1 in 1993, 8-1 in 1994 and 9-0 in 1995), producing five bowl appearances, including four major bowl appearances.

Florida has won the SEC Eastern Division championship in all four years of league divisional play - 1992, 1993, 1994, 1995.

Spurrier's teams have been ranked in the AP national poll in 98 of the 99 weeks he has been the Gator head coach, including the last 98 straight. They have ranked in the Top 10 Poll in each of the last 51 weeks, including a number one ranking in seven of the first nine weeks of the 1994 season.

He is the first coach in Florida history to defeat arch-rival Georgia six consecutive seasons.

Spurrier has been voted SEC Coach-of-the-Year four times, 1990, 1991, 1994 and 1995, an honor he captured in the Atlantic Coast Conference as head coach at Duke University in 1988 and 1989.

His nine-year collegiate head coaching record of 81-25-2 (.759) is fifth-best in the nation among active coaches. His overall head coaching record, counting three years in pro ball, is 116-44-2 (.722%).

In Spurrier's initial season at the Gator helm in 1990, his team went 9-2, finished fifth in the nation on defense and 10th on offense while setting 14 single-season records.

In 1991, the Gators won 10 games for the first time, beating seven league foes by a margin of 226-74 and producing the best conference record in their history (7-0) and the best by any SEC school since 1977.

That team set seven new school records, three SEC marks and finished the season ranked ninth in the nation in total offense and fourth in passing. They led the SEC and were sixth in the nation in

rushing defense. The Gators' 5,028 yards of total offense was a school record at that time.

They finished the regular season ranked third in the nation and dropped to seventh after losing to Notre Dame in the Sugar Bowl.

In 1992, the young Gator team started the season 1-2 and bounced back to win seven of its last eight games to win the Eastern Division title and advance to the first-ever SEC championship game. A heartbreaking loss (28-21) to eventual national champion Alabama in that contest was followed by a 27-10 victory over N.C. State in the Gator Bowl for a final record of 9-4 and an AP ranking of 10th.

The 1993 offense set eight SEC records and 15 UF marks while ranking fourth in the nation in scoring (39.3) and passing yards (339.3 ypg). They were seventh in total offense (476.6 ypg) and averaged a TD once every 15 snaps. Defensively, UF was ninth in the nation in rushing defense.

The 1994 offense scored the most points (521) and touchdowns (69) of any team in SEC history, leading the conference, and finished second in the nation in scoring average (43.4 ppg). They were fourth in the nation in passing offense with 311 ypg and led the nation in TD passes with 43.

The Gator defense of '94 finished first in the conference and fifth in the nation in rushing defense (84.6 ypg) and 19th overall.

The 1995 season has ranked as the most glorious in school history as the Gators posted their first-ever perfect regular season record (12-0) and won their fourth SEC title in the past five years. Florida joined Alabama as the only school in SEC history to win three consecutive outright league championships (1993-95). The offense was even better than the record-breaking outfit of 1994 and was arguably the finest in the history of the SEC as it shattered the league record for average total offense per game (the Gators averaged 534 yards per game to break the league record held by the 1970 Auburn offense which averaged 485 yards a contest) while also scoring more TD's (74) and points (534) in league history.

Spurrier's teams at Duke (1987-88-89) all led the Atlantic Coast Conference in total offense and passing and his Gator team in 1990 did the same. In 1991, 1992, 1993 and 1995. Florida led the league in passing.

Spurrier's offenses recorded the same results at the professional level in the USFL from 1983-85 with the Tampa Bay Bandits. The 1984 team was the first in pro history to produce a 4,000-yard passer and two 1,000-yard rushers in the same season. Quarterback John Reaves again passed for over 4,000 yards in 1985, one of only four QB's in pro history to accomplish this feat in back-to-back seasons.

The 1966 Heisman Trophy winner as Florida's quarterback, Spurrier started his coaching career as the Gators' quarterback coach in 1978. In 1979, he served as offensive coordinator and QB coach at Georgia Tech, and served in that same capacity at Duke from 1980-82 before moving to the USFL in his first head coaching job with the Bandits in 1983. He returned to Duke as head coach in 1987 and produced that school's first ACC championship in 24 years in 1989.

Spurrier was born on April 20, 1945 in Miami Beach, Fla., son of Presbyterian minister J. Graham Spurrier and his wife Marjorie. The family moved to Johnson City, Tennessee, when Steve was 12 years old.

At Science Hill H.S. in Johnson City, he was all-state in football, basketball and baseball and prep All-American in football in 1962. His baseball team won two straight state titles and in three seasons of pitching, he never lost a game.

At Florida, he guided the Gators to two major bowls in three seasons, eight come-from-behind wins in the final quarter and a glorious period still remembered fondly by Florida fans.

In the Sugar Bowl game following the 1965 season, Spurrier set six passing and total offense records and became the only player from the losing team to be voted the game's MVP.

The Auburn game in 1966 was the ultimate in Spurrier's knack of being in the right place at the right time under pressure. Heisman Trophy ballots had gone out the previous week and were due back in the week following. A record Florida Field press corps was in attendance.

Despite one of the greatest performances of his career (27 of 40 passing for 259 yards and one TD; five punts for an average of 46.9 yards per kick), the Gators remained tied with Auburn at 27-27 with just over two minutes remaining and had to attempt a field goal on fourth and long.

Spurrier took the responsibility for hitting the longer 40-yard effort, although he had not kicked a field goal since the opener that season against Northwestern. He kicked it through for a dramatic 30-27 victory.

Joe Durso of the New York Times called Spurrier a "Real-life Frank Merriwell." John Logue of the Atlanta Journal wrote, "Spurrier, with his hands tied behind his back and facing a firing squad, would be favored to escape."

He was the first round draft choice of the San Francisco 49ers in 1967 and played 10 years in the NFL, nine with the 49ers and one with the Tampa Bay Bucs.

Steve and Jerri Spurrier met while UF students and were married just before his senior season in 1966 at Florida. They now have four children - daughters Mrs. Lisa King and Mrs. Amy Moody and sons Steve, Jr., a Gator graduate assistant coach, and Scotty. They also have a grandson, Trey King.

Carl Franks *Assistant Offensive Coordinator Running Backs Coach*

A 10-year assistant under Steve Spurrier, Carl Franks is completing his sixth season on the Gator staff. Franks, who has coached Gator running backs, tight ends and inside linebackers, while also serving as UF's recruiting coordinator, currently coaches running backs and serves as the assistant offensive coordinator.

As an offensive coach from 1990-93, Florida ranked among the nation's top 10 teams in total offense three times, while ranking among the country's top 10 in passing all four seasons. As recruiting coordinator from 1991-93, UF brought in three top 10 ranked classes, including the nation's best class in 1992, according to Super Prep and Blue Chip Report. As the inside linebacker coach in 1994, Franks assisted on a defense which permitted a school-record 84.6 yard rushing per game, the fifth-best figure in the nation.

In 1995, Franks played a prominent role in an offense which shattered UF and SEC records. The Gator offense set a school and SEC record for most points (534) and most touchdowns (73). In addition, UF backs averaged 5.6 yards per carry and registered 24 rushing touchdowns, the second-best mark in school history. Tailback Elijah Williams set a school record with 7.5 yards per carry (minimum 100 carries).

Franks has coached three backs who have played in the NFL (Randy Cuthbert, Dexter McNabb and Ernie Rhett, UF's all-time leading rusher with 4,163 yards).

A 1983 graduate of Duke University, where he played three seasons as a tight end and fullback, Franks joined Spurrier's staff with the USFL's Tampa Bay Bandits in 1985 and moved on to Duke as running backs coach in 1987. Franks joined the Gator staff in January of 1990.

An Academic All-SEC selection in 1982 and Duke's Outstanding Player in 1980, Franks went on to play tight end and running back with the Bandits of the USFL in 1983-84.

A native of Garner, N.C., Franks is married to the former Deborah Lore. The couple has two daughters, Brittany (6) and Courtney (3).

Lawson Holland *Tight Ends Coach*

Twenty-year coaching veteran Lawson Holland is in his first season at the University of Florida. Holland, who has had stints at Duke (1977), Clemson (1975, 1979-85), North Carolina (1986-87), Wake Forest (1988-91) and Oklahoma State (1992-94), took over the Gator tight ends in 1995.

Holland, who has coached wide receivers, running backs and tight ends over the course of his career, has seen 16 of his pupils play professionally in either the NFL, CFL or USFL.

In 1995, Holland played a prominent role in an offense which shattered UF and SEC records. The Gator offense set a school and SEC record for most points (534) and most touchdowns (73), total yardage per game (534.4) and passing touchdowns (48).

At Clemson, Holland coached in three bowl games, won two ACC titles (1981, 1982) and was part of the 1981 National Championship team. At North Carolina, Holland tutored running back Derrick Fenner, who led the ACC in rushing in 1986. At Wake Forest, Holland coached wide receiver Ricky Proehl, who led the league in receiving in 1989. At Oklahoma State, Holland coached Rafael Denson, a First Team All-Big Eight performer and the second-leading receiver in the conference.

A 1975 graduate of Clemson University, Holland played both football and basketball for the Tigers.

A native of Monroeville, N.C., he is married to the former Cathy Pool. They have one son, Jake (11) and one daughter, Katie (9).

UNIVERSITY OF FLORIDA ASSISTANT COACHES

Bob Pruett

Defensive Coordinator/Defensive Backs Coach

In his second season at Florida, Bob Pruett, who has been coaching in the college ranks since 1979, serves as defensive coordinator and defensive backs coach.

In his first season at UF in 1994, Pruett's defense set a school record by permitting a school-record 84.6 yards rushing per game, a figure which ranked fifth-best in the nation. Florida allowed 17.1 ppg, which ranked 16th nationally and the Gator defense yielded just 305.3 yards per game to rank among the country's top 20 defenses.

In 1995, UF was one of two SEC teams and 12 teams in the nation to rank among the top 25 in each of the following categories: scoring defense (16.8 points per game, 2nd in the SEC/tied for 13th in the nation), pass efficiency defense (101.1 rating, 3rd in the SEC/15th in the nation), total defense (315.6 yards per game, 3rd in the SEC/20th in the nation) and rushing defense (130.2 yards per game, 4th in the SEC/25th in the nation). His defenses were especially impressive in late-season wins over South Carolina and Florida State, two of the top offensive units in the nation. USC entered the game averaging 460.7 yards per contest, including 325.2 passing, and the Gators limited the Gamecocks to 128 yards in total offense and 93 passing yards. Against Florida State, the Gators limited the Seminoles to 322 yards in total offense, over 200 yards below their nation's best average entering the game.

Prior to joining the Gator staff, Pruett served as the defensive coordinator at Tulane from 1992-93. During his tenure there, the Green Wave improved tremendously and became adept at forcing turnovers and making big plays. In 1993, the Green Wave defense scored a school record four touchdowns and forced 29 fumbles, recovering 17.

While at Wake Forest (1985-89), Pruett coached defensive backs Ronnie Burgess and A.J. Green, both of whom were All-ACC selections and tied for the conference's all-time lead with 17 career interceptions. At Marshall (1979-82), he coached defensive back Carl Lee, who led the Thundering Herd in tackles for three years and played for the Minnesota Vikings in the NFL for seven years. One of Pruett's first players at Florida, Larry Kennedy, signed with the Miami Dolphins in 1994.

A seasoned veteran of the high school coaching ranks and a master at reviving dormant programs, Pruett turned around prep teams at Grovetown High School in Alexandria, Va., and at Garfield High School in Woodbridge, Va. Garfield, which had never enjoyed a winning season, compiled an overall record of 49-14-1 under Pruett and claimed three district championships. All told, 26 of Pruett's former players at Garfield went on to play major college football.

Pruett's coaching career has taken him to four high schools, while making collegiate stops at Marshall, Wake Forest, Mississippi and Tulane. A product of Marshall University, Pruett was a three-year letterman for the Thundering Herd and also lettered three times in both track and wrestling. Drafted by the Dallas Cowboys, he played five years of semi-pro football for the Virginia Sailors.

A native of Beckley, W.V., Pruett is married to the former Elsie Riffe. They have three grown sons, Rodney, Stephen and Kenneth.

Bob Sanders

Assistant Defensive Coordinator Defensive Ends Coach

Bob Sanders, named the SEC's 1994 Assistant Coach-of-the-Year by the Birmingham Touchdown Club (in a vote of league coaches), is in his sixth season at Florida and 17th as a collegiate coach, all on the defensive side of the ball. He serves as assistant defensive coordinator and defensive ends coach.

Sanders has helped UF to place among the nation's top 10 in rushing defense four times in the last six years, while ranking among the SEC's top four in stopping the run in each of the last six seasons.

Sanders has coached several prominent players, including UF linemen Kevin Carter, a first-round selection of the St. Louis Rams, and Ellis Johnson, a first round selection of the Indianapolis Colts. Carter was a first-team All-America and All-SEC and a semifinalist for the Lombardi Award in 1994 while Johnson was chosen as the 1994 CNN National Defensive Player of the Year. In all, six former players coached by Sanders have been drafted in the NFL, including three in 1995 (Carter, Ellis Johnson and Henry McMillian).

In addition, Sanders has coached current Gator Mark Campbell, a third-team Football News All-American as well as a first-team All-SEC selection.

Prior to coming to Florida, Sanders had previously worked at Georgia Tech, East Carolina, Richmond and Duke. He was the co-defensive coordinator for Duke's ACC Champion Blue Devil squad in 1989.

A three-year letterman and 1976 graduate of Davidson College in Davidson, N.C., Sanders began his coaching career in the high school ranks in 1976.

Sanders is married to the former Kathie Martin. They have two daughters, Lindsay (16) and Sarah (15) and a son, Robbie (4).

Jimmy Ray Stephens

Offensive Line Coach

Jimmy Ray Stephens is completing his third year on the Florida coaching staff after returning to his alma mater in March of 1993. Stephens had previously served as a student assistant coach at UF in 1977-78 and as a Gator graduate assistant coach in 1984.

His first three Gator offensive line units have been a critical component in Florida's offensive proficiency. In 1995, the Gator offensive line helped pave the way for a record-setting season. The offense set a school and SEC record for points (534) and touchdowns (73), threw an SEC record 48 touchdown passes, recorded 24 rushing touchdowns, the second-best mark in school history, while registering 327 first downs, the best season total in SEC history. In 1994, the Gator offense set SEC records for points (521) and touchdowns (69), while finishing second in the nation in scoring offense (43.4 ppg), fourth in passing offense (311.7 ypg) and eighth in total offense (462.8 ypg). In 1993, the Gator offense set league records with 5,719 yards of total offense and 298 first downs.

Stephens has served as the mentor for offensive tackle Jason Odom for the last three years. Odom is one of three finalists for the 1995 Outland Trophy and was named to several first-team All-American squads, including the Football Writers Association and the American Football Coaches. Odom was the recipient of the Jacobs Blocking Trophy in 1994, awarded annually to the best blocker in the SEC.

Stephens joined the Gator coaching staff in 1993 after a successful stint in the Florida high school coaching ranks. Inheriting an 0-10 football program at Williston in 1986, he turned it into a 10-1 squad in 1987 and 12-1 state runner-up team in 1988. At Fort Walton Beach, Stephens took over a program that was 3-7 in 1989 and turned it into an 8-2 ledger in 1990 in his first year at the helm. The 1991 squad went 14-0, was the state 4A champion and quarterbacked by current Gator Danny Wuerffel. For his efforts, Stephens was named the state of Florida's 1991 Coach-of-the-Year. Overall, in six years as a head high school coach, Stephens compiled a glittering 63-7 overall record.

As a Gator player from 1972-76, Stephens was an All-SEC selection at both center (1973) and tight end (1976), after playing inside linebacker in 1975. He would go on to be a 12th-round selection by the Pittsburgh Steelers in the 1977 NFL Draft.

A native of Eustis, Fla., Stephens is married to the former Regina Gouge. They have two sons, Christopher (14) and Timothy (4).

Ron Zook

Associate Head Coach/Special Teams Coordinator Nickelbackers & Strong Safeties Coach

Ron Zook is in his fifth season as a member of the UF coaching staff. In addition to coordinating Florida's special teams, nickelbackers and strong safeties, Zook was also named associate coach by Steve Spurrier.

Zook has been in charge of the Gator special teams for the last two seasons. In 1995, the Gators registered seven total blocks, with four of those blocks setting up Gator touchdowns. In 1994, that unit blocked a school-record five punts, returned two of the blocked kicks for touchdowns, while the other three led to UF scores.

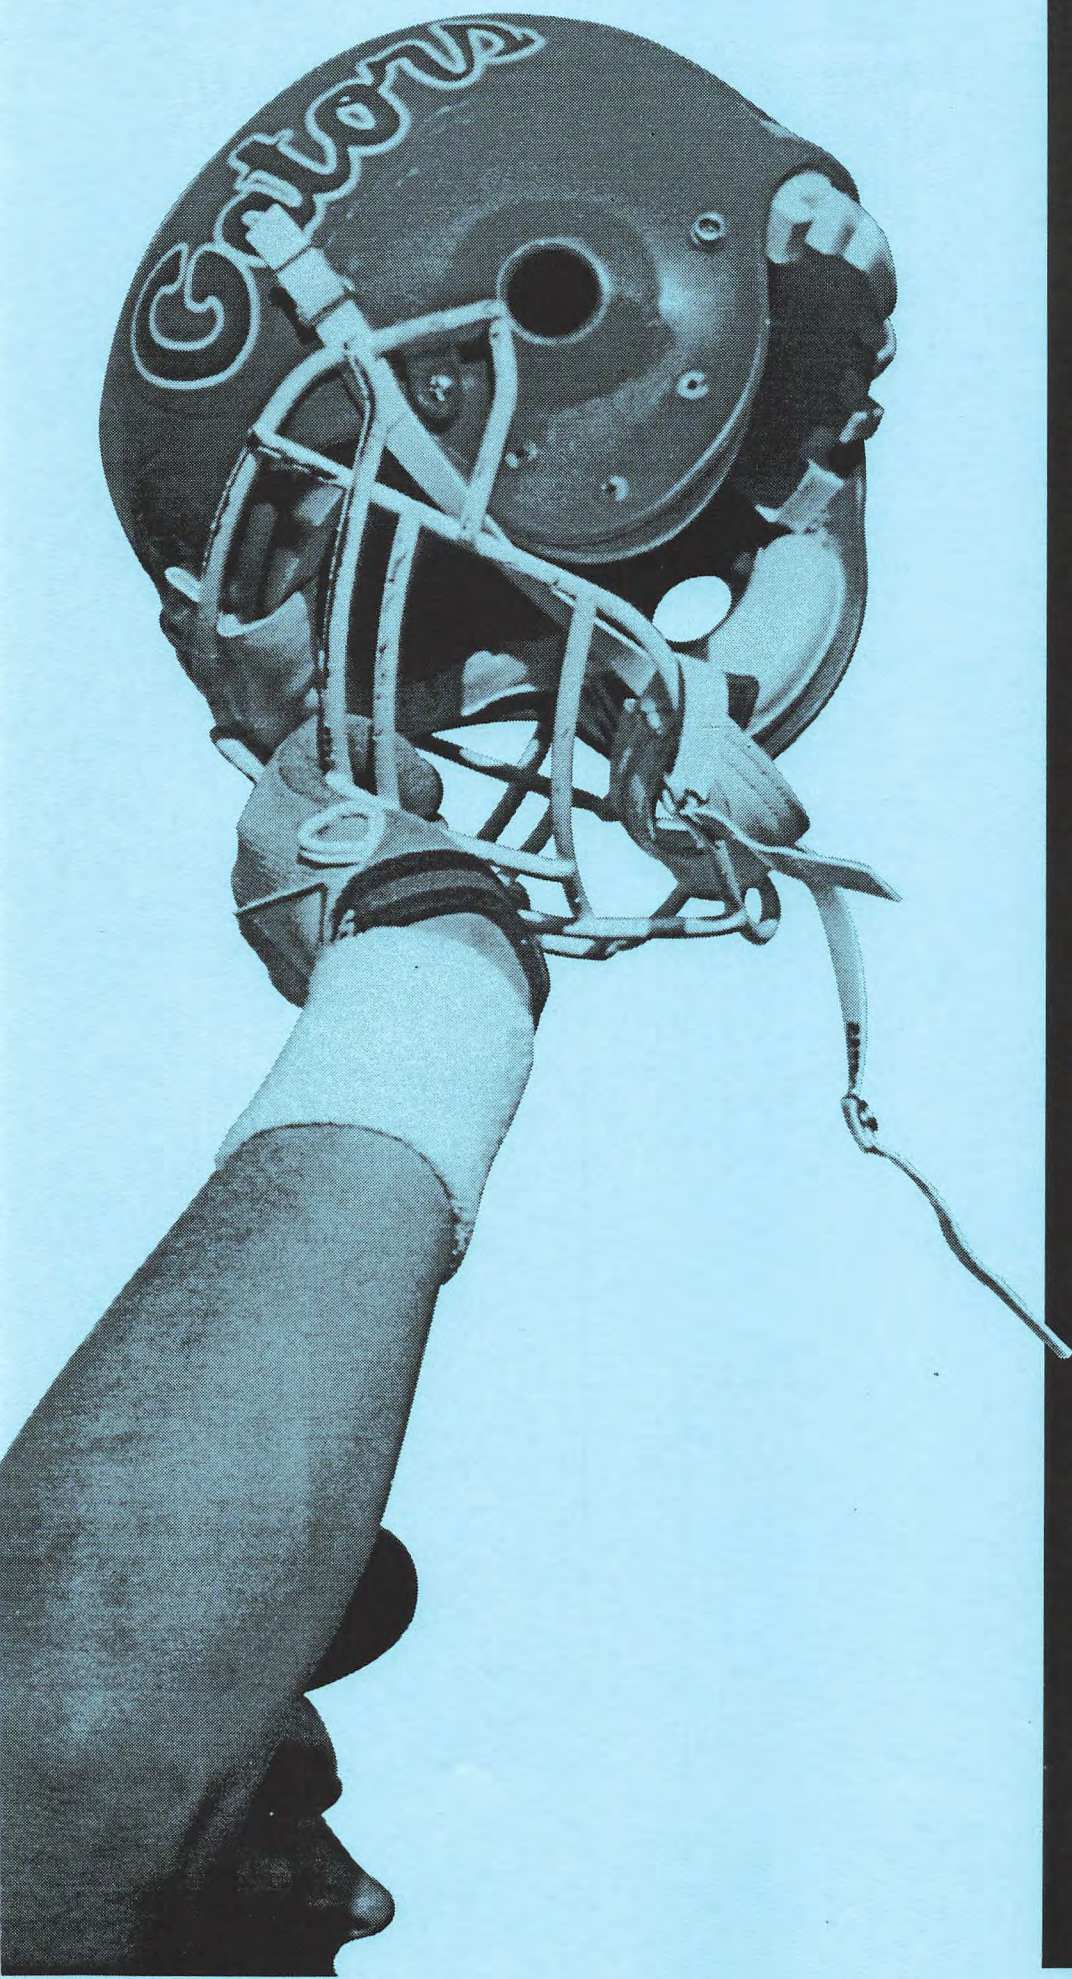

In 1995, UF was one of two SEC teams and 12 teams in the nation to rank among the top 25 in each of the following categories: scoring defense (16.8 points per game, 2nd in the SEC/tied for 13th in the nation), pass efficiency defense (101.1 rating, 3rd in the SEC/15th in the nation), total defense (315.6 yards per game, 3rd in the SEC/20th in the nation) and rushing defense (130.2 yards per game, 4th in the SEC/25th in the nation). As the Gator defensive coordinator from 1991-93, Florida was the only SEC school to rank among the league's top four run defenses three straight years, while ranking among the country's top 10 rushing defenses in two of the three seasons.

Zook came to UF from Ohio State, where he had served as coach of the defensive backfield for three seasons (1988-90). His collegiate coaching career has taken him to Murray State, Cincinnati, Kansas, Tennessee and Virginia Tech.

Over the course of his coaching career, Zook has had 11 players drafted by the NFL. Some of his pupils include former Gators Lawrence Hatch, Larry Kennedy, Del Spear, and Will White. At Ohio State, he coached Vinny Clark, a first-round selection of the Green Bay Packers and while at Tennessee, Zook coached Terry McDaniel who has played for the Oakland Raiders for the last seven seasons. UF nickelbacker Ben Hanks has been a first-team All-SEC selection in each of the last two seasons and was named an honorable mention All-American by Football News in 1995.

As a player, Zook was a defensive back at Miami of Ohio from 1972-75. He was the team captain in '75 and a prominent member of the three Miami Mid-American Conference title teams which made three-straight Tangerine Bowl appearances and posted a sparkling 34-1-1 record from 1973-75.

Zook earned his degree from Miami of Ohio in 1976. A native of Loudonville, Ohio, Zook is married to the former Denise Baugh. They have two daughters, Jacquelyn (12) and Casey (8).

Game 2

Florida 42, Kentucky 7

Sept. 9, 1995, Commonwealth Stadium, Lexington, Ky.

Attendance: 53,524

Game At A Glance

Turning in an all-around dominating performance, fifth-ranked Florida tames the Kentucky Wildcats 42-7 in each squad's Southeastern Conference opener. The win is Florida's ninth straight over Kentucky and 14th straight versus SEC Eastern Division foes.

The Gators accumulate 33 first downs and 584 yards in total offense - the eighth-best, single-game performance in school history, while the Florida defense limits Kentucky to 249 total yards (127 rushing, 122 passing) and just 13 first downs. The UF special teams even get into the act, as Jacquez Green blocks a first quarter punt which leads to a Gator score.

Redshirt freshman running back Terry Jackson, subbing for Elijah Williams and Fred Taylor who are knocked out of the game with injuries, turns in an outstanding performance, rushing for 138 yards and three touchdowns. Wide receiver Chris Doering, a high school teammate of Jackson, continues his success against Kentucky with two TD receptions from quarterback Danny Wuerffel. All told, Doering has a game-high seven catches for 80 yards, while Wuerffel turns in a workman-like effort by completing 21-of-28 passes for 253 yards and the two TDs to Doering.

Florida is in control the entire way, stopping Kentucky on the game's initial drive and then scoring on four of its first seven possessions to take a 28-0 lead to the locker room. UF scores 14 more unanswered points in the third quarter. Kentucky's lone score comes with 6:33 to play in the game.

The only downside to the contest is that nine Gators are injured during the contest.

Game Notes

- The victory marked UF's 10th win (including eight straight) in its last 11 SEC games away from home. Florida has also now won 14 straight games versus SEC Eastern Division foes.
- Terry Jackson ran for three touchdowns, marking the first time since Nov. 3, 1990 (Willie McClendon vs. Auburn) a Gator has rushed for three TDs in a game. In addition, Jackson's 138 yards rushing was the best ground gaining performance since Fred Taylor gained 140 yards vs. Vanderbilt last year.
- With his first TD pass of the night, UF quarterback Danny Wuerffel moved into sole possession of eighth place on the SEC career TD passing list with 42. He added another TD pass during the game and now has 43 TD strikes for his career.
- Chris Doering once again moves up Gator receiving charts. With his seven catches and two TD receptions, he now stands 11th on the UF all-time receptions list (92) and eighth on the UF all-time TD reception list (17).
- Florida's 584 yards in total offense was the eighth-best performance in school history.

Game 3

Florida 62, Tennessee 37

Sept. 16, 1995, Ben Hill Griffin Stadium at Florida Field, Gainesville, Fla.

Attendance: 85,105

Game At A Glance

Erasing a 30-14 second quarter deficit, fourth-ranked Florida scores 48 straight points en route to a 62-37 topping of eighth-ranked Tennessee before a crowd of 85,105 and an ABC television audience. The 62 points scored on Tennessee is the most since the Volunteers were defeated by Duke, 70-0, in 1893.

The Gators total 584 yards in total offense (381 yards passing, 203 yards rushing), while the Florida defense forces four turnovers.

Ike Hilliard headlines the Gator attack with nine catches for 112 yards and four touchdowns. The four TDs is the most by a UF receiver in a game vs. an SEC opponent and ties the overall school record set by Jack Jackson vs. New Mexico State in 1994.

Gator quarterback Danny Wuerffel also is hot, hitting on 29-of-39 passes for 381 yards and six touchdowns, the most ever by an SEC quarterback in a league game. Wuerffel's 381 yards is the fifth best passing performance in UF history, while the six TD tosses are the most by a UF quarterback against an SEC team and one shy of the overall school record of seven.

Terry Jackson turns in another solid performance as well, rushing for 119 yards. His 66-yard jaunt in the fourth quarter is the longest run from scrimmage in the Steve Spurrier Era.

With Florida trailing by 16, Gator quarterback Wuerffel hits Hilliard for 11 yards and a TD to bring the Gators to within nine, 30-21, with nine seconds to play in the first half.

Tennessee takes the second half kick-off and marches down the field, but misses a 22-yard field goal. UF then scores touchdowns on six of its final seven possessions for the victory.

Game Notes

- Florida rebounded from a 16-point deficit at 30-14 to come within a point of a school record for the biggest comeback at home. UF rallied from a school record 17-0 deficit in the fourth quarter vs. Auburn in 1986 for an 18-17 win.
- Danny Wuerffel threw six touchdowns (the most ever in an SEC league game) and rushed four a seventh to tie an SEC record for most touchdowns responsible for in a game (Terry Dean 7 vs. New Mexico State in 1994, Showboat Boykin, 7, of Ole Miss). Wuerffel also had 377 yards in total offense (381 passing, -4 rushing) to tie the third top single-game total in UF history.
- UF's total of 584 yards in total offense tied the eighth best effort in school history and was the second best outing vs. an SEC opponent. UF also had 584 yards in total offense vs. Kentucky in the second week of the 1995 season. UF's six TD passes were the most ever for a team in an SEC game.
- Tennessee had its string of 168 straight PATs end when Gator Fred Weary blocked a Vol extra point in the second quarter. The 168 straight PATs was the second longest string in SEC history behind Alabama's NCAA record of 199.
- UF had nine plays of 20 or more yards during the game.

Game 4

Florida 28, Mississippi 10

Sept. 30, 1995, Ben Hill Griffin Stadium at Florida Field, Gainesville, Fla.

Attendance: 85,174

Game At A Glance

After a week off following its emotional win over Tennessee, third-ranked Florida defeats Ole Miss in a much quieter fashion, 28-10, before 85,174 fans at Florida Field.

The Florida offense takes advantage of its few opportunities, scoring on four of its eight possessions, including each of the first three, despite only having the ball for just under 25 minutes and running only 59 plays, one shy of Spurrier's UF low since taking over at Florida in 1990. Redshirt freshman Jacquez Green scores two touchdowns, the first of his career, on 124 yards of all-purpose yardage (73 receiving, 51 rushing). Green opens the scoring with a 42-yard TD run on a reverse as UF goes for it on fourth-and-two early in the opening quarter and he adds a 33-yard TD reception from Danny Wuerffel in the third quarter to close out the scoring.

Wuerffel and Florida score on each of its first three possessions, giving him a streak of 10 straight drives at the helm resulting in touchdowns. Wuerffel and Ike Hilliard connect on a 13-yard pass play to put the Gators up 14-0 midway through the first quarter, before Wuerffel finds Chris Doering for a eight-yard TD following an Ole Miss field goal for a 21-3 halftime lead. On the day, Wuerffel completes 17-of-27 for 268 yards, three TDs and one interception in the end zone which ends his impressive TD streak.

The Gator defense yields 325 yards in total offense and holds Ole Miss in crucial situations throughout the day. Ole Miss penetrates the Gator 20-yard line on three occasions and comes away with just one field goal.

Terry Jackson leads the Gator ground attack with 90 yards on 12 carries, while Elijah Williams adds 44 rushing yards.

Game Notes

- The game marked the 100th collegiate game for Steve Spurrier, who has now posted a 73-25-2 record, the sixth-best winning percentage (.740) among active Division I-A coaches.
- Spurrier also moved into a tie for third place on the UF all-time coaching chart victory list with win number 53 at Florida (tying Bob Woodruff).
- Danny Wuerffel moved into seventh place on the SEC all-time TD passes chart with his three TD passes and now has 52 in his career. Wuerffel also moved ahead of Spurrier and into fifth place on the UF all-time passing yardage chart with 5,066 career passing yards.
- Chris Doering moved into 10th place on the UF career reception chart (passing Harrison Houston at 101) and now has 103 catches. Doering also moved into a tie for fourth on the UF career TD list with 19, tying Carlos Alvarez and Harrison Houston.
- Florida is now 39-0 versus unranked teams under Steve Spurrier.
- This is UF's last home game until November 4th.

Game 5 Florida 28, Louisiana State 10 Oct. 7, 1995, Tiger Stadium, Baton Rouge, La. Attendance: 77,641

Game At A Glance

Playing the first of three straight Southeastern Conference road games in the month of October, the third-ranked Gators defeat LSU 28-10 in front of 80,583 fans at Baton Rouge behind a strong effort by the UF defense and the special teams units.

Making the first of two interceptions on the day, Fred Weary's 56-yard interception return in the second quarter down to the LSU eight-yard line sets up a Fred Taylor four-yard TD run, giving UF an early 14-0 lead.

With the Gators leading 21-10 in the third quarter, the special teams unit sets up an insurance TD as Jacquez Green blocks a Chad Kessler punt which the Gators recover on the LSU 26. Two plays later, Wuerffel puts the game away with a 21-yard TD pass to Reidel Anthony to give UF an 18-point margin.

Any thoughts of an LSU comeback are thwarted as the special teams unit produces another big play on the ensuing LSU drive, this time Mike Peterson blocks a 31-yard field goal attempt by Andre Lafleur.

The Gator defense forces three turnovers, seven punts, comes up with four sacks, allows LSU to score just one TD in four trips inside the 20-yard line and holds the Tigers to 5-of-17 on third-down conversions. The Tigers manage just 37 yards on the ground and at one point the Gator secondary forces LSU QB Jamie Howard to throw 11 straight incompletions. The Gator defense holds LSU Tigers to under 100 yards in total offense in the second half and keeps them off the scoreboard.

Despite not hitting on all cylinders in putting up a season-low 321 yards, the UF offense converts three of four trips inside the Red Zone into touchdowns.

Gator QB Danny completes 18-of-35 passes for 240 yards and is sacked a season-high four times and the UF ground attack rushes for 81 yards but produces three touchdown runs.

Game Notes

- Florida wins for the eighth straight time vs. LSU, the longest streak in the 42 meetings between the two schools and the seventh time in its last eight trips to Tiger Stadium.

- QB Danny Wuerffel moves into a sixth-place tie on the SEC career TD passing chart with 53 (tying Auburn's Pat Sullivan) and moves into a tie on UF's career 200-yard passing game chart with his 14th.
- Florida's first three touchdowns on the day come on the ground, marking the first time since November 18th, 1989 (vs. Kentucky) that UF's first three scores in a game came from the ground game.
- The UF punt return unit holds the Tigers to just seven yards a return after LSU enters the game with the best punt return unit in the SEC and sixth best in the nation with 14.6 yard average. The UF kick return team holds Eddie Kennison to just two kick returns for 26 yards after he enters the game ranked third in the SEC and 37th nationally with a 22.8 average.
- The game marks the first of three straight SEC road games, marking the first time in school history that UF plays three consecutive SEC games on the road and the first time UF will enjoy no home games in the month of October.

Game 6
Florida 49, Auburn 38
Oct. 14, 1995, Jordan-Hare Stadium
Attendance: 85,214

Game At A Glance

Playing the second of three straight Southeastern Conference road games, No. 3 Florida bounces back from a 10-0 deficit and scores 28 unanswered points en route to a 49-38 win over No. 7 Auburn in front of 85,214 fans and a regionally televised ABC audience. The 1995 Gators become just the fourth UF squad to start the season 6-0 (the first since 1969) and just the second squad to begin conference play 5-0. The win snaps a two-game losing streak to the Tigers and is just the fifth victory in Auburn for the Gators, while Auburn's Terry Bowden loses for the first time at home.

In a very similar fashion when Auburn converted nine turnovers into victories in the previous two meetings, the Tigers convert two early turnovers and build a 10-0 lead in the first three minutes of the game. Reidel Anthony quickly quiets the crowd and gets the Gators back in the game with a 90-yard kick return to trim the Auburn lead to 10-7.

A Matt Hawkins field goal extends Auburn's lead to 13-7 but a 21-point second quarter explosion gives UF a commanding 35-20 halftime lead. The 21-point burst occurs in a three-plus minute span. Elijah Williams' 1-yard TD run gives the Gators the lead for good at 21-20, a Lawrence Wright interception sets up Danny Wuerffel's 22-yard TD strike to Ike Hilliard and the barrage concludes with an 11-yard TD toss to Chris Doering with just 29 seconds left in the half.

Danny Wuerffel overcomes a 1-for-9 start passing and leads an balanced offense that produces 577 yards in total offense and the most points UF has ever scored against an Auburn team. The 49 points also ties the most points an Auburn team has surrendered at home. Wuerffel completes 19 of his last 25 passes and throws for 382 yards on the afternoon. Three of his four TD passes go to senior Chris Doering who finishes with five catches. Fred Taylor rushes for a personal season-best 111 yards and his backfield mate Williams finishes just short of the century mark with 97 yards.

Meanwhile, the Gator defense shuts down the Auburn running attack in the first half, allowing tailback Stephen Davis to just 40 yards rushing. The pass rush and secondary is just as impressive, forcing Patrick Nix to complete just 15 of 37 passes and throw two interceptions on the day after he enters the game as the top percentage passer in the conference, completing close to 70 percent of his passes.

Game Notes

- Florida breaks a two-game losing streak to Auburn and wins for the fifth time in Auburn, while handing Terry Bowden his first home loss at home.
- Florida becomes the fourth squad in UF history and the first since 1969 to open a season at 6-0 and just the second squad in the UF history books to go 5-0 in SEC play (joining the 1991 squad).
- Florida scores a series high 49 points vs. Auburn to tie the highest point total vs. an Auburn team at Jordan Hare Stadium in Tiger history. Florida's 577 yards in total offense is fourth best in a league game in UF history.
- QB Danny Wuerffel throws for 382 yards, the sixth-best effort by a UF QB in school history. Wuerffel passes Steve Spurrier on the UF all-time completion chart and stands in fifth overall with 406. He moves into second on the UF career TD passing list with 57 (fourth on the SEC chart) and the game marks his seventh career 300-yard day - second best in UF history.
- WR Chris Doering's three TDs receiving gives him 22 for his career to move into third place tie with Wes Chandler on the UF all-time list. Twenty-two of his 111 career catches have now gone for paydirt, giving him a TD/reception ratio of 5.04 - fourth best in school history.
- The game marks the second of three straight SEC road games, marking the first time in school history that UF plays three consecutive SEC games on the road and the first time UF will enjoy no home games in the month of October.

Game 7

Florida 52, Georgia 17

Oct. 28, 1995, Sanford Stadium

Attendance: 86,117

Game At A Glance

Playing in a historic game in Athens, Florida writes a bit of history itself with a 52-17 win over Georgia, its first victory in five tries in Athens. The win, coming in UF's first visit to Sanford Stadium since 1932, is also a record sixth straight for UF vs. the Bulldogs. Florida improves to 7-0 for the first time since 1966 and only the third time in school history. Florida's 52 points is the most scored by any team vs. Georgia in Sanford Stadium. UF also improves to 6-0 in SEC play for just the second time in Gator history. The game marks the end of a three-game SEC road trip in which Florida did not have a home game in the month of October for the first time in school history.

In one of its most complete efforts of the year, Florida uses outstanding efforts by the offense, the defense and the special teams. Florida throws for seven TD passes, the most ever by a league team in an SEC game and totals 542 yards on the day (229 rushing and 313 passing). Meanwhile, the Gator defensive unit forces six Georgia fumbles, recovers three and holds the Bulldogs to just 55 yards rushing.

Danny Wuerffel completes 14-of-17 passes for 242 yards and five TDs in less than three quarters of action before being relieved by back-up Eric Kresser, who adds two tosses for the SEC record. Three of Wuerffel's TD strikes go to senior wide receiver Chris Doering, who improves his career total to 25 (second best in UF and SEC history). Elijah Williams' career-high 143 yards leads the ground attack and Terry Jackson chips in with 62.

Lawrence Wright leads the defense, recording a game-high 14 tackles (eight solo) with a sack and forcing two of the Bulldog fumbles. Wright is named SEC Defensive Player of the Week for his efforts.

Game Notes

- Florida scores 52 points for the second consecutive year vs. Georgia, this time in its first trip to Sanford Stadium since 1932. The 52 points is the most ever surrendered by a Georgia team at home.
- The 1995 Florida team is only the third squad in school history to open a season 7-0 and the first since 1966. It is also only the second squad to go 6-0 in SEC play.
- The win is the sixth SEC victory of the year, marking the sixth straight year Florida has won six or more conference games. Alabama (1961-66) is the only other conference school to accomplish that feat.
- The win allows Florida to complete a three-game SEC road trip sweep, as the Gators made no home appearances in the month of October for the first time in school history.
- The win is the 11th straight SEC win on the road for UF and the 16th straight vs. an SEC Eastern Division team.
- The win is also the 10th straight overall vs. SEC foes, the second longest in UF history (the record is 11 from 1990-92).
- Florida throws for seven TD passes on the day, the most ever by a SEC team in a league game.
- WR Chris Doering's three TDs receiving gives him 25 for his career to move into second on the UF all-time and SEC all-time list. Twenty-five of his 115 career catches have now gone for paydirt, giving him a TD/reception ratio of 4.60 - second best in school history.
- QB Danny Wuerffel finishes with a QB rating of 287.23 - the best by a UF QB in an SEC game and the second best overall (Wayne Peace had a rating of 289.27 vs. West Texas in 1982).

Game 8

Florida 58, Northern Illinois 20
Nov. 4 1995, Ben Hill Griffin Stadium
Attendance: 84,922

Game At A Glance

In their first home game in more than a month, the Gators entertain a Homecoming crowd with a 58-20 victory against Northern Illinois. Florida improves to 8-0 for just the second time in school history and the first since 1928, while winning for the 15th time in its last 16 Homecoming contests.

Florida junior quarterback Eric Kresser, making his first career start, sets a school-record throwing for 458 yards. Kresser completes 26-of-42 passes with six TDs, including a 96-yarder to Jacquez Green - the second longest TD pass in UF history. Kresser also establishes a school-record with his 460 yards in total offense - the sixth best single-game effort in SEC history.

As a team Florida passes for 506 yards, just six short of the school record of 512 set vs. Southwest Louisiana in 1993 and for the second time this year, UF throws for seven TD passes in a game. Combined with 189 yards rushing, the Gators rack up 695 yards in total offense - again the second-best single-game effort in UF history.

Florida wastes little time in getting on the board, scoring in the first minute of the game. In all, eight different players get in the endzone as three quarterbacks throw passes and 13 receivers catch balls.

Charles Talley and the Northern Illinois ground game serve as one of the highlights for the Huskies. Talley becomes just the seventh running back in Northern Illinois history to go over 1,000 yards as he finishes the afternoon with 146 yards.

He keys a running attack that racks up 300 yards on the ground - the most vs. a UF-coached Spurrier squad and the most against Florida since 1987 when Georgia ran for 306.

Game Notes

- Florida is 8-0 for just the second time in school history and the first since 1928.
- Florida is now 50-19-3 in 72 Homecoming Games, including 23-2 in the last 25 and 15-1 in the last 16.
- Florida is now 41-0 under Head Coach Steve Spurrier vs. unranked opponents.
- Jacquez Green's 96-yard TD reception in the second quarter is tied for the second longest in UF history (Kerwin Bell hit Ricky Nattiel for 96 yards vs. Georgia in 1982).
- Chris Doering's four catches moved him into ninth on UF's all-time receiving chart with 119 (he passed Nattiel at 117).
- The game was the first home game for Florida since September 30th vs. Ole Miss - a span of 34 days.
- Florida's 695 yards in total offense and 506 yards passing both rank as second best single-game totals in UF history.
- UF is now 33-2 at home since 1990.
- UF is now 48-0 since 1990 when holding teams to 21 points or less.

Game 9
Florida 63, South Carolina 7
Nov. 11 1995, Williams Brice Stadium
Attendance: 71,638

Game At A Glance

Playing a near-perfect game in front of a nationally televised ESPN audience, the third-ranked Florida Gators put together a downright dominating performance in a 63-7 win over South Carolina to clinch their fourth straight Southeastern Conference Eastern Division Crown. Florida, clinching an appearance in the SEC Championship Game vs. Arkansas Dec. 2nd, improves to 9-0 for the first time in school history and 7-0 in SEC play for just the second time in Gator history (the 1991 team was also a perfect 7-0 in conference play). The nine wins ties a school record for consecutive wins in a season. The 56-point winning margin is the largest in school history for an SEC road game.

Florida rolls to a 35-0 lead with 6:37 left in the first half and eventually builds a 42-7 halftime edge en route to it's school-record 12th straight SEC win away from Florida Field. The Gators tally an impressive 426 yards in total offense in the first 30 minutes of action, while the defense smothers South Carolina, allowing just 83 yards in the first half. The second half is much of the same as UF finishes the evening with 612 yards in total offense, while the Gamecocks manage just 128 yards in total offense - the best defensive effort in the Spurrier era in an SEC game.

UF quarterback Danny Wuerffel completes 19-of-24 passes for 304 yards (his eighth career 300-yard game) and five TDs in just one half. Three of his TD tosses go to wide-out Ike Hilliard and running back Elijah Williams also finds the endzone three times. Williams, who finishes with 126 yards on the ground, runs for two TDs and catches another. Wuerffel's effort highlights a passing attack which totals 402 yards, while the ground game produces 210.

The defense racks up eight tackles behind the line of scrimmage, including five sacks and holds QB Steve Taneyhill, the leagues leading passer in yards, to a career-low 74 yards. Overall, South Carolina passes for 93 yards and runs for 35.

While the offense is letter perfect with no turnovers, the special teams unit blocks its fourth punt of the year, as Jacques Green gets his third blocked punt of the year to set-up UF's first TD in the second quarter.

Game Notes

- Florida is 9-0 for just the first time in school history and 7-0 in SEC play for the second time in school history (1991 team was also a perfect 7-0 in SEC play).

- UF is 5-0 on the road in SEC play this season (the 1995 Gators are only the second team in SEC history to play five conference games on the road - 1994 Georgia was the first). It marks the first time in Gator history that a squad has posted

an unbeaten road record.

- Florida ties a school record with its ninth consecutive win of the season (the 1984 team also won nine in a row). The overall record for most wins is 11 (final three games of 1927 and first eight of 1928).
- Florida wins its school-record 12 straight SEC game away from Florida Field and wins its 17th straight vs. an SEC Eastern team.

- Florida's 612 yards in total offense is second best UF effort vs. an SEC opponent.

Game 10

Florida 38, Vanderbilt 7

Nov. 18 1995, Ben Hill Griffin Stadium at Florida Field

Attendance: 85,248

Game At A Glance

Florida puts the finishes touches on a perfect Southeastern Conference regular season (8-0) with a 38-7 win over Vanderbilt, while setting a school record with its 10th consecutive win of the season and its 12 straight SEC victory overall. The 1995 Florida team is the first in school history to go 8-0 in SEC play.

With the offense is not in high gear after a seven-point first quarter, the Florida defense and special teams control the game. The Gator defense holds the Vanderbilt rushing game to 1.6 yards per rush on the day (84 yards on 51 carries), including a smothering effort in the second quarter as the Commodores rush for negative six yards. With only 132 yards passing, Vanderbilt is held to just 3.4 yards per play on the afternoon. Vanderbilt's first scoring threat is thwarted as Mike Peterson blocks his second field goal of the year - this one a 37-yarder by place kicker Steve Yenner. UF's special team's leader Sam McCorkle then blocks a Bill Marinangel punt on Vanderbilt's next possession. It is Florida's seventh blocked kick of the year (four punts, two field goals and an extra point) and McCorkle's fourth blocked punt of his career.

Despite not clicking on all cylinders in the first half, the Florida offense still generates 38 points and 558 yards in total offense (403 yards passing and 155 rushing).

Chris Doering headlines the offense, catching 11 passes for 169 yards and two TDs to tie the SEC and UF single-season (15) and career TD (29) reception records. His 11 catches is the third best single-game effort in UF history and he moves into fifth place on the UF all-time chart with 136.

Elijah Williams' runs for 128 yards on just nine carries. Seventy of Williams' yards come on a third-quarter TD run, the longest rushing TD in the Spurrier era.

Danny Wuerffel completes 17-of-35 passes for 299 yards and two TDs. Wuerffel's two TDs give him the UF single-season record (at 29), and a share of the SEC single-season record (South Carolina's Steve Taneyhill also has 29).

Game Notes

- UF sets a school record with its 10th consecutive win of the season (the previous record was nine by the 1984 team).
- Florida wins its 12th straight SEC game to set a school record for consecutive SEC wins. (Previous record was 11 - 1990-92).
- The 1995 Gator team becomes the only squad in school history to go 8-0 in SEC play.
- The 1995 squad becomes just the fourth squad in school history to win 10 games. All four squads - the 1991, 1993, 1994 and 1995 - have been coached by Steve Spurrier.
- Florida wins its 18 straight game vs. a SEC Eastern Division foe.
- Florida becomes the first school in SEC history to win eight league games three consecutive years (UF was 8-1 in '93, 8-1 in '94 and now 8-0 in '95).
- The senior class wins its 40th game (40-8-1), tying the '94 class school-record total of 40. The senior class now has a 30-5 SEC record, breaking the school record of 29 SEC wins set by the 1994 class.
- Steve Spurrier wins his 59th game as a Gator coach to move into sole possession of second place on the UF all-time

coaching victory chart. Ray Graves is the leader at 70.

■ Florida throws for three TDs on the day to bring its season total to 42, just one short of the UF and SEC single-season team record of 43 set by the 1991 UF team.

Game 11
Florida 35, Florida State 24
Nov. 25 1995, Ben Hill Griffin Stadium at Florida Field
Attendance: 85,711

Game At A Glance

With a school-record crowd of 85,711 an ABC television audience and most of the nation's top media markets in Gainesville, the third-ranked Florida Gators remain perfect on the 1995 season (11-0) with a 35-24 victory over sixth-ranked Florida State. Florida ties the all-time school record for consecutive wins with its 11th straight victory and joins the 1993 squad as the only two teams in school history to win 11 games.

The Gators use an explosive first-half offense, an impressive defensive performance and several big plays to key the victory over their in-state rivals.

The UF defense holds the Seminoles to just six points and 126 yards in the first half, and with the game on the line in the fourth quarter limits FSU to 40 yards in total offense and intercepts three passes. Overall, FSU manages just 322 yards in total offense, well below its national-leading average of 574.5 yards a game, and punts eight times.

The Gator offense is in high gear in the first half, scoring four times to build a 28-6 edge at the intermission. UF's final score of the first half comes on a 20-yard pass from Danny Wuerffel to Chris Doering with 47 seconds left. The TD is the 30th career grab and 16th of the season for Doering, both SEC and UF records. Florida totals 304 yards in total offense and 19 first downs in the first 30 minutes of the game.

After FSU's Warrick Dunn scores on a three-yard run in the third quarter to close the score to 28-14, Florida answers with a streaking 74-yard TD catch by Ike Hilliard on its next play from scrimmage to keep momentum on the Gators side. FSU scores 18 third-quarter points and closes the gap to 11 points on an eight-yard pass from Danny Kanell to Andre Cooper. From there, the defense takes over with its fourth quarter clamp-down.

Wuerffel finishes the day 25-of-40 for 443 yards (the fourth top single-game total in UF history) with four TDs to boost his season total to an SEC record-setting 33. Hilliard finishes with six catches (two for TDs) and 192 yards, the third best single-game total in UF history. Doering, one of 16 seniors making their final appearance at Florida Field, catches seven balls for 124 yards. The seniors win their school-record 41st game.

Game Notes

- Florida ties the all-time record for consecutive wins with its 11th straight victory (Florida won the final three games of the 1927 season and the first eight of the 1928 season).
- The 1995 senior class wins its 41st career game, the most wins by a UF senior class in school history (the 1994 class won 40 games).
- The 1995 squad becomes just the second in school history to win 11 games (the 1993 team won a school-record 11 games).
- The win is the third vs. a top-10 opponent for UF this year (UF also defeated No. 8 Tennessee and No. 7 Auburn).
- Florida completes its fourth unbeaten home seasonal record since 1990 (1990, 1991, 1992 and 1995).
- Florida sets SEC team records for total offense in a season (6,015), first downs in a season (302), total TDs (70), passing TDs (46) and PAT attempted and made (68 & 67).
- UF's 35 points and 538 yards in total offense are the most by an opponent vs. FSU since 1986 and 1984, respectively.
- Danny Wuerffel's four TDs passing, gives him 33 on the year - a SEC and UF record. He raises his career total to 73, just one shy of the SEC record.
- Chris Doering catches his 30th career TD and his 16th of the 1995 season, both SEC and UF records.
- The Florida SID office issues 576 media credentials, an all-time high (UF issued 552 for the 1994 Auburn game). The list includes 65 daily newspapers, 29 TV stations bringing 26 uplink trucks plus ABC TV, ESPN Gameday, CBS, CNN and Mutual Radio Network.

Game 12
Florida 34, Arkansas 3
SEC Championship Game
Dec. 2, 1995, Georgia Dome
Attendance: 71,325

Game At A Glance

In front of a primetime national television audience and a sold-out crowd of 71,325, second-ranked Florida assures

itself of a trip to the Fiesta Bowl to play for its first national championship with a 34-3 victory over Arkansas in the fourth edition of the SEC Championship Game, giving the Gators their third consecutive SEC title. Florida becomes just the second school to capture three consecutive outright SEC titles, a feat only accomplished by Alabama several times, the last being from 1977-79.

Arkansas opens the game in impressive fashion, driving inside the Florida 20-yard line and eating up more than seven minutes off the clock. But the Gator defense sets the tone for the entire game and allows the Razorbacks to come away with just a 36-yard Todd Latourette field goal.

The Gator offense answers back immediately as it drives 80 yards in seven plays, culminating with a 22-yard scoring toss from Danny Wuerffel to Chris Doering. Just over three minutes later, UF strikes again following a Teako Brown interception, this time on a one-yard keeper from Wuerffel. The Gators add a 31-yard FG from Bart Edmiston midway through the second quarter to take a 17-3 lead into the locker room.

The Florida defense comes up with perhaps the biggest play of the entire night with just under five minutes left in the third quarter and UF holding a 24-3 edge. With Arkansas threatening on the doorstep, Ben Hanks intercepts a pitch from Razorback QB Barry Lunney on a thwarted option play and rambles 95 yards untouched to give the Gators an insurmountable lead. It was UF's first defensive touchdown of the season and is one of four forced turnovers for the defense, three of which lead to 17 of UF's points. Arkansas is held to just 299 yards in total offense, including just 142 yards and only nine first downs in the second half.

Danny Wuerffel continues to shatter the record books as he sets a SEC and UF record for career TD passes with his 75th, a 29-yard pass to Ike Hilliard midway through the third quarter. He also finishes the year with a pass efficiency rating of 178.4, the best single-season rating ever in NCAA history. Hilliard and Doering both eclipse the 1,000-yard receiving mark, becoming the first UF tandem to accomplish that feat.

Game Notes

- Florida becomes only the second school in Southeastern Conference history to win three consecutive outright league titles (1993-95). Alabama, which accomplished the same feat several times, last won three straight SEC titles from 1977-79.
- Florida breaks the all-time record for consecutive wins with its 12th straight victory (The previous Florida record was 11 as UF won the final three games of the 1927 season and the first eight of the 1928 season).
- The 1995 squad becomes the first Gator team in school history to win 12 games. (The 1993 team held the previous record, winning 11 games).
- Florida sets SEC team records for most points in a season (534), passing yards (4,330), total yards (6413), first downs (327) and average total offense per game (534.4 ypg).
- Danny Wuerffel completes the year with a career pass efficiency rating of 160.5, second-best all-time in NCAA history.
- Wuerffel's two TDs passing, gives him 35 on the year (tops in the nation) and 75 career TD passes, setting a new SEC and UF career record. His 75 passes also is tied for seventh-best in NCAA history with Andre Ware of Houston.
- Chris Doering catches his 17th TD of the 1995 season, tying Terry Glenn of Ohio State for tops in the nation.
- Ben Hanks 95-yard fumble return for a touchdown in the third quarter was the longest fumble return for a TD in Gator history and marked the fourth longest in SEC history.
- Bart Edmiston set a NCAA individual single-season record for PATs made in a year, with his 69th, 70th and 71st in 1995. He breaks the old mark of 67 by Cary Blanchard of Oklahoma State in 1988.

SIX SEC SCHOOLS PARTICIPATING IN POST-SEASON BOWLS

Six Southeastern Conference football teams will participate in post-season bowls in 1995. The number is the most for the league since 1992, when six schools participated in bowls and the second-highest ever for the league. In 1974, 1982 and 1983, seven SEC teams went to post-season bowls. The number also represents the most schools participating in bowls this season, along with the Big 10 with six.

SEC TOPS IN NATION IN BOWL APPEARANCES

Using present conference alignments, the Southeastern Conference leads the nation in post-season bowl appearances with 273. The next closest is the Pac-10 Conference with 155 visits to post-season play. In the 1990s (seasons), the SEC has had 25 post-season bowl games, with 14 being either a Jan. 1 or 2 bowl.

FLORIDA TO PLAY FOR NATIONAL CHAMPIONSHIP

By defeating Arkansas in the SEC Championship Game, Florida earned the right to play for the national championship against Nebraska in the Tostitos Fiesta Bowl on Jan. 2 in Tempe, Arizona. The Gators are vying to be the 11th SEC team to claim a national championship in football and the first SEC school to do it since Alabama in 1992. Previous SEC teams to win national championships include: Tennessee (1951), Auburn (1957), LSU (1958), Alabama (1961, 1964, 1965, 1978, 1979, 1992) and Georgia (1980).

The University of Florida...

Looking for a top-ranked academic institution with a comprehensive athletic program which also ranks among the nation's elite? Look no further than the University of Florida. Consider the facts:

- Propelled by six national top 10 team finishes, the University of Florida athletic program ranked fifth in the 1994-95 Sears Directors' Cup national all-sports competition. Florida has now ranked among the nation's five best collegiate athletic programs for six consecutive years and among the nation's top 10 for 12 straight years. Florida and UCLA are the only schools to finish in the top 10 in national all-sports rankings every year since 1983-84.
- A 1994 study by The American Council of Education selected the University of Florida among the nation's top five institutions for having the best combination of academics and athletics. In addition, the University of Florida was named as one of six schools in the nation as having the best mix of academic quality and athletic success, according to a study published in *The NCAA News* in 1992. Florida joined UCLA, Texas, Stanford, Penn State and Southern California as the nation's top six in achieving the best mix of academic and athletic excellence. The study was conducted over a 10-year period beginning in 1982.
- Florida has won the Southeastern Conference's all-sports championship in seven of the past eight years. UF has captured 22 SEC crowns over the last four years, more than double of any other SEC school over that span. In addition, since 1980 UF has collected 75 SEC titles, the most of any league school during that time frame. Gator coaches have collected 20 SEC Coach-of-the-Year honors over the last four years as well.
- In the last six Olympic Games (since 1968), 74 Gator student-athletes, representing 14 countries, have won 49 medals - including 25 golds. In the 1992 Summer Olympics, 25 Gators won 12 medals, including seven golds.
- Florida was equally successful away from the athletic arena in 1994-95, as 71 student-athletes were named to the Southeastern Conference's Academic Honor Roll. Florida now has had 216 Academic All-SEC recipients over the last three years - the best three-year total in UF and SEC history. Since 1980-81, UF student-athletes have accumulated 654 total SEC Academic Honor Roll honors, the top total in the SEC during that span.
- In an era when the NCAA estimates 70 percent of Division I schools are losing money on intercollegiate athletics, the Gator athletic program continues to have an impact in regard to University academic programs. Since 1988, the University Athletic Association, Inc. has contributed \$9.4 million dollars to the University to fund academic endeavors.
- Florida's athletic program also serves as a focal point for the surrounding community and beyond, as 3.2 million fans have filed through the gates to attend UF sporting events over the past four years. In addition the "Goodwill Gators" - a program where UF student-athletes, coaches and administrators take part in community related endeavors while visiting schools and hospitals - was recently honored with a White House Commendation for volunteerism.
